Set in Moominvalley where everyone is welcome, there are three stories to treasure in this stunning collection, based on Tove Jansson's beloved and classic chapter books - introducing readers to the charming Moomins and their warm-hearted way of life.

Tove Jansson's Moomin characters and books are admired the world over. In the United States the series beginning with Finn Family Moomintroll (first published in English in 1945) has accumulated generations of fans. Since Farrar, Straus and Giroux began reissuing the books in 1989, grateful readers old and new have been thrilled to have the stories available again. At last the final installment is being published oddly, the only book that features none of the Moomin family themselves, though it does take place at their house. There familiar characters converge Snufkin, the Hemulen, Fillyjonk, and others seeking out the Moomins' welcoming company, only to find them absent. All remain at the house, all have very different personalities that clash often, but something about their homey cohabitation during the icy winter changes each visitor in a gratifying way. As The Times Literary Supplement put it, Moominvalley in November is "possibly the cleverest of the Moomin books."

A showstopping luxury gift book to cherish for years to come, The Moomins: The World of Moominvalley is the ultimate guide for any Moomin fan, old and new. Join Moomintroll, his family and their friends in beautiful Moominvalley, where everyone is welcome. Surprising things happen every day in Moominvalley - luckily the Moomin family and their friends embrace the unexpected with their characteristic humour, kindness and charm. This beautiful book contains nine exciting adventure stories - all closely based on the warm and whimsical Moomin world and characters created by the celebrated writer, artist and illustrator Tove Jansson. Presented in chronological order, each story in Adventures in Moominvalley is taken from an episode of the 3D animation series and set in the idyllic and peaceful valley where the round blue Moominhouse stands. The stories describe the adventures of Moomintroll, his parents, Moominmamma and Moominpappa and their eclectic and happy band of friends Little My, Snufkin, Snorkmaiden, the hattifatteners and other famous characters from the classic stories. The stories in this collection will delight Moomin fans of all ages. In one story Moomintroll sails to the mysterious Hattifattener island and in another, he finds a tiny dragon. The Moomins temporarily move house, Snufkin composes a new spring tune and Moomintroll encounters the mysterious Groke.

A flood hits Moomin Valley and triggers a series of adventures for the Moomins.

Celebrating seventy-five years of the Moomins, Stories From Moominvalley is a beautiful collection of three classic Moomin stories, based on Tove Jansson's original works. Join Moomintroll, his charming family and his eclectic band of friends on a series of adventures in a picturesque valley where anything can happen - and it often does! But even when a father is washed away in a flood, electric Hattifatteners appear on a desert island, and a magical hat causes mayhem - the kind-hearted Moomins take it all in their stride. Everyone is welcome in Moominvalley, and Moomin lovers of all ages will delight at the stunning artwork that accompanies the lively storytelling in this collection. Sensitively adapted for a younger audience by Alex Haridi and Cecilia Davidsson, Stories From Moominvalley is both perfect as a gift and is a must-have for fans of Tove Jansson's enchanting world.
