Ford The new 2021 Ford Bronco SUV began rolling ... We would be remiss if we didn ' t at least mention the Bronco ' s 1994 starring role in an infamous chase that almost single-handedly created ...

The ideal roadmap for defense lawyers and prosecutors, John M. Castellano has built on the fine works of the original authors of this book, James A. Adams and Daniel D. Blinka who appreciate the succinct analysis necessary to canvass the often tangled landscape of Fourth Amendment law. Their pragmatic approach has created a balanced, sound and comprehensive one-volume survey of arrest, search and seizure issues. The Third edition now features all decisions by the Supreme Court Fourth Amendment cases through June 2015 as well as significant and helpful circuit court decisions on a variety of topics. It includes a number of other new, expanded, or refined sections as well which include application for orders to intercept; bodily intrusions, emergency searches, and workplace searches. The eBook versions of this title feature links to Lexis Advance for further legal research options.

The ideal roadmap for defense lawyers and prosecutors, written by former prosecutors, Professors Adams and Blinka who appreciate the succinct analysis necessary to canvass the often tangled landscape of Fourth Amendment law. Their pragmatic approach has created a balanced, sound and comprehensive one-volume survey of arrest, search and seizure issues. The second edition now features all decisions by the Supreme Court through April 2004 as well as significant and helpful circuit court decisions, touching on a staggering array of issues including border searches, revisions as instituted by the USA Patriot Act, as well as the inclusion of timely and important new sections. Readers will likely find this edition even more beneficial, useful and helpful than the first edition.

Designed specifically for trial use, Michigan Evidence Courtroom Manual's purpose is to provide fast, concise, and authoritative answers to most of the evidentiary questions which arise in the course of trials and hearings, as well as in trial preparation. It accomplishes this through a unique combination of trial-tested features, including:

- Rules: The complete rules are collected at the beginning of the book. Individual rules are also at the beginning of the chapter in which the rule is discussed.
- Commentary: Perhaps the most important part of this book, the author's Commentary provides a quick overview of the rule under discussion, guidance in interpreting the rule, and helpful pointers for applying the rule in actual practice. In many chapters the Commentary contains special features such as Illustrations, Constitutional Considerations, and Current Trends.
- Authority: Following each chapter's Commentary, additional authorities are cited. These give the user a starting point for additional research.
- Comparison to Federal Rule: A brief comparison of the Michigan and federal rules in each chapter provides additional insight.
- Cases: Recent significant cases are summarized at the end of each chapter. These provide support for argument and decisions required during the course of proceedings.
