Harley owners and enthusiasts will love this handy little guide to their best-known bikes, complete with color photos and full specifications. Featuring eye-popping color photos of more than 250 Harley-Davidson motorcycles, enthusiasts will see the evolution of the bikes from 1903 to today's most popular models. Each photo is accompanied by a detailed caption with information on options and equipment offered with the bike

The Harley-Davidson Story: Tales from the Archives is a fascinating, visually driven overview of the motor company's rich story, created in cooperation with the Harley-Davidson Museum. The story of Harley-Davidson is a classic American tale of spirit, invention, and the right idea at the right time. From its beginning in a small Milwaukee shed in 1903, William Harley and his cousins, the Davidson brothers, set in motion what would eventually become the world's most iconic motorcycle company. While other motorcycle companies rose and fell through the teens and 1920s, Harley went from strength to strength, whether introducing its first V-twin motor or dominating race tracks across America. The Milwaukee Miracle even prospered during WWII, building war bikes for the armed forces. By the 1950s, they'd buried their last American-built competitor, Indian, and gained a hold over the US market that they maintain to this day. A remarkable story deserves a remarkable space to recount it. Such is the Harley-Davidson Museum in Milwaukee, which opened in 2009. Harley-Davidson partnered with Motorbooks to create this book relaying Harley-Davidson's story, as told through the museum's displays and archive assets.

Ethan Williams spends his days guarding the White House, but when the sun sets in Washington, DC, he meets Rita, a dark exotic woman with a secret. Who is she? Who are the people following her? And at what length will they go to catch her? In a chase that will stretch from the White House to the brown sand beaches of the upper Texas coast, Ethan and Rita learn more about themselves than most people learn in a lifetime. Love does not conquer all, but friendship and a band of Texas policemen might.

A captivating collection of Jack Knox's most memorable, heart-warming, inspiring, and off-beat human-interest stories. Praise for Jack Knox: "Canada needs more Knox." Will Ferguson "Knox is the most underrated writer in Canada." Les Leyne "There are a few key secrets to a happy life in Victoria!avoiding downtown when the cruise ships are in, knowing exactly how late you can get to the ferry terminal, and reading Jack Knox." Mark Leiren-Young From bestselling author and beloved columnist Jack Knox comes a new collection of unforgettable true stories about the people who shape the unique culture of Vancouver Island and its surrounding areas. Full of humanity, heart, and sometimes humour, On the Rocks with Jack Knox celebrates ordinary people who have extraordinary stories to tell. From Alban Michael, the last person on Earth to speak Nuchatlait, to Diana Deans, the Port Angeles customs inspector who caught the Millennium Bomber, to Victoria's Rudi Hoenson, who survived a Japanese labour camp and the atomic bomb at Nagasaki to become one of the happiest souls you'll ever meet, the people in this fascinating volume represent all walks of life. Elders, heroes, criminals, and oddballs are all worthy subjects in the world Jack Knox.

This illustrated guide is packed with interesting facts and follows the history of the famous Harley-Davidson company and the development of its famous bikes, which have earned a special place in the hearts of enthusiasts everywhere. The story dates from 1903 when Bill Harley and the Davidson brothers, with no thought of fame or fortune, decided to build a motorcycle that really worked. So successful was it, that it led to the gradual formation of a company that has survived through good times and bad. Through good times and bad, losing and winning back police contracts, as well as weathering various other vicissitudes, the company has achieved lasting success. In the end, Harley-Davidson came to the ultimate decision of giving its customers what they really wanted, not by providing year-on-year innovations, but by remaining true to the Founders' original concept. The result, as everyone knows, are bikes of mythic status, imbued with a mysterious quality of their own and generating a passion in enthusiasts amounting almost to a love affair. The name has come to personify America and is up there alongside Coca-Cola, Ford and McDonald's. The bikes are described in detail, not only in mechanical terms, but also with glorious photographs, and will be of interest to everyone who loves motorbikes: even aficionados of Japanese and European bikes, who have never even ridden a Harley-Davidson, will be able to recognize the unique marriage of style and nostalgia and the fact that there are no other bikes quite like them.

The Milwaukee Marvel takes center stage in this colorful work written by one of the motorcycling industry's best-selling authors. This colorful volume not only tells the history of Harley-Davidson motorcycles, it also features the legendary motorcycles that made the company an American legend. Features early singles and twins, Flatheads, Knuckleheads, Panheads, Shovelheads, Evolution bikes, and Twin Cam 88s. This edition is updated to include the 2003 Anniversary edition, the 2004 Sportster, the new V-Rod, and much more.About the AuthorsPhotographer Jeff Hackett's work has appeared in a number of Motorbooks International titles, including The Harley-Davidson Century and Allan Girdler's Harley-Davidson in the 1960s. He lives and works in Orange, Connecticut.Allan Girdler previously chronicled Harley-Davidson history in several Motorbooks International books, including The Harley-Davidson and Indian Wars and Harley-Davidson in the 1960s. Girdler is a former editor of Cycle World, and currently a contributor to national motorcycle magazine.
