TRANSMISSION. The General Motors 4L80E, in production since 1991, has become the workhorse of GM ' s light truck series. This unit has also surfaced in some rather exotic and unexpected vehicles simply because those manufacturers wanted one of the best, most reliable units available at the time. Based on the bulletproof THM 400, which could take just about anything a car or truck could dish out without breaking a sweat, the 4L80E was the natural evolution of the 400, updating the design
