03/06/2019. With the Extinction Rebellion demonstrations recently hitting the headlines, and Sir David Attenborough warning us of the unsettling reality of the danger our planet is in, the UK Green Building Council (UKGBC) has published a new framework for the construction industry for achieving net zero carbon across the whole life of buildings. The framework, published on 30 April 2019, was created by a collaboration of businesses, trade associations and non-profit organisations to ...
