record. This carefully crafted, ready-to-go collection saves instructors time and effort in finding consistently engaging and informative sources.

With its distinctive focus on ordinary people, this primary documents reader offers a remarkable range of perspectives on America ' s history from those who lived it — from Jews in the Early Republic to strikers at an auto plant in 1940s Detroit, and from a Civil War battlefield nurse to a 1990s dot.com entrepreneur.

This distinctive, class-tested primary

source reader tells America's story through the words and other creative expressions of the ordinary and extraordinary Americans who shaped it. Now featuring the contributions of new co-author John M. Giggie, an award-winning teacher and scholar from the University of Alabama, America Firsthand offers a remarkable range of first-person perspectives that bring the past vividly to life — from an African American minister's message of racial liberation, to the prison notes of suffragists, to a writer's recollections of Sputnik. “Points of View” sections provide varied vantage points on important topics, and “Visual Portfolios” draw students into interpreting the visual record. This carefully crafted, ready-to-go collection saves instructors time

and effort in finding consistently engaging and informative sources.

One of the most widely adopted primary source U.S. history readers, America Firsthand presents history in the words of the people who made it, inviting and provoking students to think critically about the past. The seventh edition continues to bring the past to life with more visual and textual sources that increase diversity, represent current scholarship, and engage students.

The fifth edition of this best-selling survey reader continues to capture, through lively first-person accounts, the diverse individual experiences that comprise the American past and
