## Criticality Assessment - Efftek

Criticality Analysis may be applied at two levels of the RCM process. First, it may be used to sort or classify a large number of equipment assets as to their

# File Type PDF Application Criticality Matrix

priority for analysis. Secondly criticality analysis may be applied to individual failure modes as in the FMECA process. Criticality analysis when performed on failure modes can consume time in RCM review group sessions but may serve little purpose.

Application Criticality Matrix -  
41rec.swimaroundtheworld.me

A criticality analysis is a systematic approach to evaluating potential risks, therefore consequences that can impact the business. The criticality analysis has defined criteria that outlines

# File Type PDF Application Criticality Matrix

the potential consequences so that they can be evaluated, categorised and prioritised.
