Austin Osman Spare (1886-1956) is one of the most influential and innovative figures in twentieth century occultism. A natural artist and psychic, Spare's explorations of the creative focus gave rise to an ontology and body of work that departs radically from conventional occultism, both then and now. Ahead of his time, he was dismissed by Crowley early in his career, but found appreciation and understanding with the next generation, who embraced his ideas with alacrity.
