this riveting insider's chronicle, legendary Marine General "Brute" Krulak submits an unprecedented examination of U.S. Marines--their fights on the battlefield and off, their extraordinary esprit de corps. Deftly blending history with autobiography, action with analysis, and separating fact from

Download File PDF

fable, General Krulak touches the very essence of the Corps: what it means to be a Marine and the reason behind its consistently outstanding performance and reputation. Krulak also addresses the most basic but challenging question of all about the Corps: how does it manage to survive--even to flourish--despite

Download File PDF

overwhelming political odds and, as the general writes, "an extraordinary propensity for shooting itself in the foot?" To answer this question Krulak examines the foundation on which the Corps is built, a system of intense loyalty to God, to country, and to other Marines. He also takes a close look at Marines in war, offering challenging

Download File PDF

accounts of their experiences in World War II, Korea, and Vietnam. In addition, he describes the Corps's relationship to other services, especially during the unification battles following World War II, and offers new insights into the decision-making process in times of crisis. First published in hardcover in 1984, this

Download File PDF

book has remained popular ever since with Marines of every rank.

Includes authors, titles, subjects.

The men of the U.S. Navy's brown-water force played a vital but often overlooked role in the Vietnam War.

Download File PDF

Known for their black berets and limitless courage, they maneuvered their aging, makeshift craft along shallow coastal waters and twisting inland waterways to search out the enemy. In this moving tribute to their contributions and sacrifices, Tom Cutler records their dramatic story as only a participant

Download File PDF

could. His own Vietnam experience enables him to add a striking human dimension to the account. The terror of firefights along the jungle-lined rivers, the rigors of camp life, and the sudden perils of guerrilla warfare are conveyed with authenticity. At the same time, the author's training as a historian allows him to objectively

Download File PDF

describe the scope of the navy's operations and evaluate their effectiveness. Winner of the Navy League's Alfred Thayer Mahan Award for Literary Achievement in 1988 when the book was first published, Cutler is credited with having written the definitive history of the brown-water sailors, an effort that has helped readers

Download File PDF

better understand the nature of U.S. involvement in the war.

Two dissimilar midshipmen at the U.S. Naval Academy personify the sense of conflict and transition afflicting the academy as it shifts from being a military training school to a college for nuclear engineers and technicians

Bluejackets

More than eight hundred sailors served aboard the Sterett during her hazardous and demanding duties in World War II. This is the story of those men and their beloved ship, recorded by a junior officer who served on the famous destroyer from her commissioning in 1939 to April 1943, when

Download File PDF

he was wounded at the Battle of Tulagi. Peppered with the kind of vivid, authentic details that could only be provided by a participant, the book is the saga of a gallant fighting ship that earned a Presidential Unit Citation for her part in the Third Battle of Savo Island, where she took on a battleship, cruiser, and

Download File PDF

destroyer and was the last to leave the fray.

Calhoun's gripping and colorful account tells

what it was like to be there during those

furiously fought, close-range engagements.

When published in hardcover in 1993, the book was widely praised as a good read loaded with rich and interesting details.
