Bmw R80 Gs And R100

BMW R80 GS & R100 GS. In 1987, the German company dropped the "G/S" designation, which roughly translates to off-road/on-road, for a simpler "GS." BMW updated the model with a new Paralever suspension system after criticism of the outgoing Monolever, which would jack up the rear end under acceleration causing poor handling.

The BMW R80 ST is a fascinating piece of motorcycling history, it was the street-going version of the iconic dual-sport BMW R80 GS - the first in the long line of world famous BMW GS dual sport bikes of which over 500,000 have been made. The R80 ST didn't enjoy the popularity of it's sibling, only 5953 units were produced between 1982 and ...
