### ~~2.1 Setting and Reaching Goals—College Success~~

Service learning is grounded in experiential education—learning by doing. Service learning differs from “pure” experiential learning in two essential ways: (1) The goal of service learning is to direct the learners into practical settings where the primary motivation is service, and (2) learning takes place in two ways—as students take part in the experience and as they reflect upon ...

### ~~Chapter 2. The Purpose and Goals of Service Learning—ASCD~~

Learning goals are knowledge and abilities that participants gain from training or education. These are designed to show the value of a learning program, session or exercise. Learning goals are typically expressed with action verbs that illustrate what participants will be able to do or demonstrate upon completion of learning. The following are illustrative examples.
