As the first edition of Edward Lasker's CHESS STRATEGY was exhausted within a comparatively short time of its appearance, the author set himself the task of altering and improving the work to such an extent that it became to all intents and purposes a new book. I had the privilege of co-operating with him to a

Chess Strategy, by Edward Lasker

In other games, however, White's light-squared bishop "can be the hero" by sacrificing itself on h7 against a castled black king for a checkmating attack. One chapter of the Chess Opening Workbook for Kids explores this Bxh7+ sacrifice and the following position is from that book. Find the winning combination; you know its first move.
