John Santrock's *Children* combines proven pedagogy and the most current research to provide a market leading presentation of child development. This time tested text provides compelling contemporary research, including updates from eight leading experts in the field. The text's accessible presentation, plentiful applications and engaging writing foster increased mastery of the content. The new edition includes substantially expanded material on subjects including children's health and well-being, parenting and education, diversity, culture, and gender.

Why are you assigning or considering a brief Human Development text? Is it because your students do not complete the reading in a comprehensive text? Do you run out of time trying to cover the entire lifespan over the course of a few months? Do your students struggle to retain the sheer volume of information in the course? Instructors from across the country have clamored for a streamlined text that captures the core concepts of life-span development. Santrock Essentials 2e was developed to help meet the ever-changing needs of students in the lifespan course. Knowing that students do not often read the text and have poor study skills, Santrock Essentials introduces an adaptive diagnostic that helps students know what they know and what they don't know to become more efficient and effective learners. Organized in a concise format, Santrock Essentials helps students relate to the material and study more efficiently by driving them to the applicable reading content in a format that is more student-friendly. Based on hallmark features- its expert contributors, updated research and focus on applications, Santrock provides the most dependable and
