good coping strategies from the start. Presented in a warm, child-friendly but no-nonsense way it will help establish solid foundations for every child's current and future wellbeing. Perfect for starting conversations with children about their mental and emotional health, *What's Going On Inside My Head?* is a must for every parent who understands the importance of keeping a healthy mind.

Acclaimed book, now in English and Spanish, helps adults teach children about abuse, getting help, and how to set boundaries to stay safe. Without being taught about body boundaries, a child may be too young to understand when abuse is happening—or that it ' s wrong. Now available in a bilingual English-Spanish edition, *My Body Belongs to Me /Mi cuerpo me*

pertenece offers a tool parents, teachers, and counselors can use to sensitively share and discuss the topic of sexual abuse. Through simple language and colorful illustrations, this straightforward, gentle book guides young children to understand that their private parts belong to them alone. The overriding message is that if someone touches your private parts, tell your mom, your dad, your teacher, or another safe adult. In a country where, according to estimates from the CDC, one in four girls and one in six boys will be sexually abused before age eighteen, this book is an essential abuse-prevention resource to help children feel, be, and stay safe. Using her experience working as a New York City prosecutor of child abuse and sex crimes, Jill Starishevsky has crafted a book that addresses

body boundaries in a way that kids can understand and that doesn't seem scary or heavy-handed. Includes, in both English and Spanish, a letter to adults at the beginning and a section in the back with suggestions and resources for discussing the book with children.

Discusses thinking and learning and how curiosity and exploration aid in learning new things.

From blue birthmarks to bulging belly buttons, dimpled ears to double eyelashes, this indispensable guide will teach you how to interpret the “body signs” that are important clues to your baby's health. Like most parents, you probably notice—and often worry about—every little change in your growing baby.
