Clinical Decisions in Neuro-Ophthalmology, 3rd Edition, Ronald M. Burde, Peter J. Savino, and Jonathan D. Trobe. Mosby, St. Louis, Missouri, 2002. ISBN: 0-3230-1707-X. \$99.00. Scope: This is a third edition of the first medical textbook composed as a problem-based, decision-tree analysis of clinical practice. Formulated by the three musketeers of neuro-ophthalmology, Drs. Burde, Savino, and Trobe, this edition emphasizes a stylized organization of signs and symptoms that allows the ...

Clinical Decisions in Neuro-Ophthalmology, 3rd Edition ...

The varied and sometimes complex nature of neuro-ophthalmological disorders makes for diagnostic challenge. In 1985, these authors published the first systematic use of decision trees for neuro-ophthalmic diagnosis, and readers (or more properly, users) found that a morass suddenly became...

Clinical Decisions in Neuro-ophthalmology: Amazon.co.uk ...

The authors of Clinical Decisions in Neuro-Ophthalmology have applied this method to help ophthalmologists to deal more effectively with a variety of neuro-ophthalmic problems. At first, the reader who is not entirely familiar with flow charts may be put off by the oversimplification this approach appears to impose on one's clinical judgment.

Clinical Decisions in Neuro-Ophthalmology | JAMA ...

Going from signs and symptoms to diagnosis can be the most difficult step in evaluating a patient, particularly in neuro-ophthalmology. And it is this step that has always been the strength of Clinical Decisions in Neuro-Ophthalmology. The structure of Clinical Decisions has always been...
