Cloudy with a Chance of Clouds is the 20th episode of season 1 of Cloudy: the series.

The beloved, bestselling tale of edible weather is brought to life! If food dropped like rain from the sky, wouldn't it be marvelous! Or would it? It could, after all, be messy. And you'd have no choice. What if you didn't like what fell? Or what if too much came? Have you ever thought of what it might be like to be squashed flat by a pancake?

While older sister Alex is trying to orchestrate a perfect first kiss with her heartthrob and younger sister Joey prefers frogs to boys, Stevie Reel wonders if she is ready for a boyfriend while being pursued by a new boy in her class.

The tiny town of Chewandswallow was very much like any other tiny town except for its weather which came three times a day, at breakfast, lunch and dinner. But it never rained rain and it never snowed snow and it never blew just wind. It rained things like soup and juice. It snowed things like mashed potatoes. And sometimes the wind blew in storms of hamburgers. Life for the townspeople was delicious until the weather took a turn for the worse. The food got larger and larger and so did the portions. Something has to be done in Chewandswallow...and in a hurry.

In this charming sequel to the classic Cloudy With a Chance of Meatballs, Kate and Henry eagerly await Grandpa's return from a vacation that his postcard says has been one of the best and most unusual ever. Thinking about that postcard Kate drifts off to sleep that night and... "With Henry as my co-pilot..." she visits the strange land of Chewandswallow -- a land characterized by massive amounts of food, immense carrots, leafy jungles of lettuce, and tuna fish sandwiches so gigantic they have to be moved by helicopter. What the people of Chewandswallow are doing with all that food is most intriguing of all. Fans of Cloudy With a Chance of Meatballs will applaud this return trip with its underlying message of generosity and a world community.

When it rains, it pours...and sometimes love finds you even when you can't find yourself. Fate has given me a second chance at the happiness I once knew in the odd Southern town of Grimm Cove. But only if I can come to terms with some rather eye-opening revelations. Supernaturals are a real thing. I'm a witch. My high school sweetheart, who happens to be the Chief of Police in Grimm Cove, is my fated mate and a wolf-shifter. Ghosts exist and can be very nosy and meddlesome. Someone is murdering witches left and right. And last but not least, my ex-husband's barely legal arm candy is taking fatal attraction to new levels of Hell. I'm no shrinking violet, and with the help of my best friends, I'm going to live life on my terms--come Hell, high water, or magikal mishaps. When it rains, it pours... On the eve of my fortieth birthday, Fate has given me a second chance at the happiness I once knew in the odd Southern town of Grimm Cove. But only if I can come to terms with some rather eye-opening revelations. Supernaturals are a real thing. I'm a witch. My high school sweetheart, who happens to be the Chief of Police in Grimm Cove, is my fated mate and a wolf-shifter. Ghosts exist and can be very nosy and meddlesome. Someone is murdering witches left and right. And last but not least, my ex-husband's barely legal arm candy is taking fatal attraction to new levels of Hell. I'm no shrinking violet, and with the help of my best friends, I'm going to live life on my terms--come Hell, high water, or magikal mishaps. Romance book contains: kick-butt women who are considered middle-aged at forty but who don't let themselves be defined by a number, alpha males, paranormal elements (witches, shifters, ghosts, etc), some mildly strong language (nothing too earth-shattering), heated scenes but they aren't 50 shades of OMG or anything, and a nice heaping helping of a second chance at a first love.Don't miss out on the next book in the Grimm Cove Series World, Hexing with a Chance of Tornadoes!

Life is delicious in the town of Chewandswallow, until the weather takes a turn for the worse.
