Confessions by Kanae Minato - Goodreads

Confessions does not set out to be realistic, although some of the themes of teenage alienation, ambitious parents, popularity and so on are faithfully depicted. But the plot and narrative voices are very melodramatic and absolutely engrossing. Retelling the story so many times without it becoming stale or repetitive is no mean feat.

"Kanae Minato is a brilliant storyteller, and CONFESSIONS is a superb and haunting work. As Minato expertly shifts the perspective from one character to the next, each change in perspective lends a startling new dimension to a gripping and profoundly unsettling tale. It's a novel I'll think about for a very long time."--

Kanae Minato's Confessions starts slowly, but builds brilliantly and to a shocking conclusion that left me speechless. A story told from five different points of view, and each character has a distinct voice. Galvin and Davis (the readers for the male and female narrators) do a wonderful job of bringing each of these five to life.
