The changing look and feel of metropolitan France has been a notable preoccupation of French culture since the 1980s. This collection of essays explores concern with space across a range of media, from recent cinema, documentary filmmaking and photographic projects to television drama and contemporary fiction, and examines what it reveals about the fluctuating state of the nation in a post-colonial and post-industrial age.

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

American Music: An Introduction, Second Edition is a collection of seventeen essays surveying major African American musical genres, both sacred and secular, from slavery to the present. With contributions by leading scholars in the field, the work brings together analyses of African American music based on ethnographic fieldwork, which privileges the voices of the music-makers themselves, woven into a richly textured mosaic of history and culture. At the same time, it incorporates musical treatments that bring clarity to the structural, melodic, and rhythmic characteristics that both distinguish and unify African American music. The second edition has been substantially revised and updated, and includes new essays on African and African American musical continuities, African-derived instrument construction and performance practice, techno, and quartet traditions. Musical transcriptions, photographs, illustrations, and a new audio CD bring the music to life.

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

Nominated for a 34th annual Lambda Literary Award \* An essential and revelatory coming-of-age novel from a thrilling new voice, *Rainbow Milk* follows nineteen-year-old Jesse McCarthy as he grapples with his racial and sexual identities against the backdrop of his Jehovah's Witness upbringing. In the 1950s, ex-boxer Norman Alonso has immigrated to Britain from Jamaica with his wife and children in order to secure a brighter future. Blighted with unexpected illness and racism, Norman and his family are resilient but are all too aware that their family will need more than just hope to survive in their new country. At the turn of the millennium, Jesse seeks a fresh start in London, escaping a broken immediate family, a repressive religious community, and his depressed hometown in the industrial Black Country. But once he arrives he finds himself at a loss for a new center of gravity and turns to sex work, music, and art to create his own notions of love, masculinity, and spirituality. A wholly original novel as tender as it is visceral, *Rainbow Milk* is a bold reckoning with race, class, sexuality, freedom, and religion across generations, time, and cultures.

Features ten classic hits from the Alicia Keys, arranged for piano, voice and guitar. This title includes such classics as A Woman's Worth, Fallin', and Every Little Bit Hurts.

When most people think that “ little girls should be seen and not heard, ” a noisy, riotous scream can be revolutionary. But that ’ s not the case anymore. (Cis/Het/White) Girls aren ’ t supposed to be virginal, passive objects, but Poly-Styrene-like sirens who scream back in spectacularly noisy and transgressive ways as they “ Lean In. ” Resilience is the new, neoliberal feminine ideal: real women overcome all the objectification and silencing that impeded their foremothers. Resilience discourse incites noisy damage, like screams, so that it can be recycled for a profit. It turns the crises posed by avant-garde noise, feminist critique, and black aesthetics into opportunities for strengthening the vitality of multi-racial white supremacist patriarchy (MRWaSP). Reading contemporary pop music – Lady Gaga, Beyonce, Calvin Harris – with and against political philosophers like Michel Foucault, feminists like Patricia Hill Collins, and media theorists like Steven Shaviro, /Resilience & Melancholy/ shows how resilience discourse manifests in both pop music and in feminist politics. In particular, it argues that resilient femininity is a post-feminist strategy for producing post-race white supremacy. Resilience discourse allows women to “ Lean In ” to MRWaSP privilege because their overcoming and leaning-in actively produce blackness as exception, as pathology, as death. The book also considers alternatives to resilience found in the work of Beyonce, Rihanna, and Atari Teenage Riot. Updating Freud, James calls these pathological, diseased iterations of resilience “ melancholy. ” Melancholy makes resilience unprofitable, that is, incapable of generating enough surplus value to keep MRWaSP capitalism healthy. Investing in the things that resilience discourse renders exceptional, melancholic siren songs like Rihanna ’ s “ Diamonds ” steer us off course, away from resilient “ life ” and into the death.

The days are long, but the years are short. No matter if it ’ s your child ’ s first step, first day of school, or first night tucked away in a new dorm room away from home, there comes a moment when you realize just how quickly the years are flying by. Christian music artist Nichole Nordeman ’ s profound lyrics in her viral hit “ Slow Down ” struck a chord with moms everywhere, and now this beautiful four-color book will inspire you to celebrate the everyday moments of motherhood. Filled with thought-provoking writings from Nichole, as well as guest writings from friends including Shauna Niequist and Jen Hatmaker, practical tips, and journaling space for reflection, Slow Down will be a poignant gift for any mom, as well as a treasured keepsake. Take a few moments to reflect and celebrate the privilege of being a parent and getting to watch your little ones grow—and Slow Down. Nichole Nordeman has sold more than 1 million albums as a Christian music artist and has won 9 GMA Dove Awards, including two awards for Female Vocalist of the Year and Songwriter of the Year. Nichole released a lyric video for her song “ Slow Down, ” and it struck a chord with parents everywhere, amassing 14 million views in its first five days. She lives in Oklahoma with her two children.
