Electrical

A guide to lighting
design for electricians

Acces PDF

Electrical

and installers. Simon

Robinson, Chair of
the Society of Light
and Lighting's (SLL)

Technical and

Publications

Committee, provides
some guidance about
how to approach
lighting design. The
visual element of
lighting is perhaps the
most noticeable part
of an electrical

Acces PDF

Electrical

Installation, and yet can be one of the most subjective, with the same lighting design generating very different responses from people.

~~A guide to lighting design for electricians and installers~~
