The New York Times bestselling series continues with the second sizzling installment, Conquer Me. Broken-hearted and alone, Clara tries to move on after her final night with Alexander. She throws herself into work, exercise, and anything that might help her forget their torrid love affair.

Conquer Me | Geneva Lee
At the heart of the book is an emotion Kacie has dubbed "Conquer Me" -- which she defines as "the submissive's internal demand for a show of strength." Without a clear understanding of "conquer me," both submissive and dominant may find themselves at odds -- either fighting unhappily, or watching the passion ebb from their relationship.

Submissive women have needs just like anybody else. But how can a woman get her needs met when she's relinquished her power to her dominant partner? With warmth, wisdom and a down-to-earth approach, experienced submissive Kacie Cunningham analyzes the realities of the dominant-submissive lifestyle and suggests ways in which both partners can experience the greatest possible growth and pleasure. At the heart of the book is an emotion Kacie has dubbed "Conquer Me" -- which she defines as "the submissive's internal demand for a show of strength." Without a clear understanding of "conquer me," both submissive and dominant may find themselves at odds -- either fighting unhappily, or watching the passion ebb from their relationship. This book explains this unique need and how to get it met -- essential knowledge for any submissive or couple who wants to get the most out of their D/s lifestyle.

From the New York Times bestselling series with nearly two million books sold worldwide comes the second sizzling book in the seductive Royals Saga. Secrets tore them apart. Can love set them free? Broken-hearted and alone, Clara tries to move on after her final night with Alexander. She throws herself into work, exercise, and anything that might help her forget their torrid love affair. But Alexander isn't a man who gives up easily, and when he finally shows her how he feels, she wants to believe they can make their relationship work. But they both have secrets and when the darkness of their past threatens their fragile arrangement, nothing will ever be the same.

Submissive women have needs just like anybody else. But how can a woman get her needs met when she's relinquished her power to her dominant partner? With warmth, wisdom and a down-to-earth approach, experienced submissive Kacie Cunningham analyzes the realities of the dominant-submissive lifestyle and suggests ways in which both partners can experience the greatest possible growth and pleasure. At the heart of the book is an emotion Kacie has dubbed "Conquer Me" -- which she defines as "the submissive's internal demand for a show of strength." Without a clear understanding of "conquer me," both submissive and dominant may find themselves at odds -- either fighting unhappily, or watching the passion ebb from their relationship. This book explains this unique need and how to get it met -- essential knowledge for any submissive or couple who wants to get the most out of their D/s lifestyle.

From the irreverent mind of Josh Mecouch, the artist behind the wildly popular Instagram (@pantspans) and Twitter account, @Pants, a collection of affirmations perfect for anyone ready to pass through the portal of self-improvement. Conquer the Day is a collection of affirmations for all those on the long, winding road of personal development. Under the Twitter (@Pants) and Instagram handle @PantsPants, Josh Mecouch has a large following who delight in his bizarre and unique illustrations. Now, Conquer the Day invites fans into the larger Pants universe, introducing new characters and never-before-seen art. Pairing encouraging affirmations with emotive black-and-white illustrations—highlighted with the occasional splash of color—Josh takes us on a journey into the world of self-improvement. The contrast between the positive affirmations and the visceral style of the illustrations point to the tension between our hopes and aspirations and the reality of our day-to-day lives as we strive to realize our best selves. Unlock the power of affirmations: I exhale weakness and inhale confidence. I am sexy and people want to be around me. My path to success/success is inevitable. I focus on what I can control. I organize my socks.

Submissive Desires relates the tale of Simon and Maura, and the awakening of a fully-realized D/S relationship. Simon is an ex-Navy Seal and he knows what he wants when he finally finds it, and Maura is it. The problem is that Maura "thinks" she's submissive, but all she's ever done is play with it. Simon is the real thing.This is an extremely explicit story, with strong BDSM themes.

Finally, international author, PCOS expert and experienced clinician, Dr. Rebecca Harwin reveals the secrets to overcoming Polycystic Ovary Syndrome. Discover proven success methods and simple step-by-step, easy to follow strategies to achieve the success you've been dreaming of. Whether you suspect you have this condition, or have been suffering for years, if you've been searching for the pieces of the PCOS puzzle, then you've picked up the right book at the right time.

"I believe that life is meant to be conquered, and that a creative, intelligent psyche - a self-aware, self-directed thinker - is an unconquerable force." To see this force in action however, to grasp this creative strength and wield its power in actual life, requires one to both think and act in a disciplined way; to both see one's world through a disciplined frame of mind and construct one's goals through a disciplined style of behavior. The strength to conquer one's creative potential, therefore, first begins with the strength to conquer one's self." -- from pg. 1 of How to Conquer Yourself What is willpower? What is discipline? Productivity? Self-motivation? How can we internalize these traits, making them our habitual style of behavior and natural process of thought, rather than the exception, both in the short-term and over the long range? Why do some of the most creative, intelligent, consciously aware and sophisticated thinkers we know still have trouble making constructive use of their talents and skills? What would your life be like - what would your drive and ambition unfold into - if there were no impediments to their authority or expression...if you were constantly at your prime, indefinitely? These are the questions this book answers, amongst many more. These are the solutions it provides and the new dimensions it'll open up for you, once you take the step to check it out. CHAPTERS INCLUDE: How to OVERCOME PROCRASTINATION How to Attain Discipline How to Build Motivation How to Raise Productivity How to Develop Systems How to Cultivate Willpower How to Conquer Yourself. Discipline and Willpower for the Conscious, Creative Thinker is specifically about how artists, musicians, graphic designers, film-makers, writers and other creative professionals can best refine their behavior and discipline themselves for success in their respective crafts. It's specifically written to serve as a strategic blueprint helping you to cultivate the motivation and willpower your goals necessitate and demand of you. Because let's face it: if you're a conscious, creative person, just as the work you prefer to create is free-formed, liberal and self-expressive, the path to success you need to pursue is likewise undefined. That's the catch-22, the "negative side," to having artistic talent...you can never be too sure that it'll become something significant (in the material sense) and that anxiety will continue to undermine and sabotage your focus until you put a framework in place. Remember this: if you don't develop a science and a methodology to sustain both your artistic skill and your ambition, you're going to end up neglecting and sacrificing both, which'll lead you to, eventually, neglect and sacrifice a central element to your identity; to lose sight of who you are as a person. But again, when you're creative, just as the work you prefer to produce is freeform and self-expressive, the path you need to pursue is likewise freeform and undefined, so as a conscious, creative person, you need a lot more discipline than the average bear - you need, in fact, more willpower than the average person is even capable of envisioning. If this person is you, if this subject interest you at all, this book was written for you. Check out How to Conquer Yourself: Discipline & Willpower for the Conscious, Creative Thinker now...

In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls "grit." "Inspiration for non-geniuses everywhere" (People). The daughter of a scientist who frequently noted her lack of "genius," Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In Grit, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she's learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. "Duckworth's ideas about the cultivation of tenacity have clearly changed some lives for the better" (The New York Times Book Review). Among Grit's most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Witty and personal, insightful, and even life-changing, Grit is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is "a fascinating tour of the psychological research on success" (The Wall Street Journal).

New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare - poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring Outside magazine to name him The Fittest (Real) Man in America. In this curse-word-free edition of Can't Hurt Me, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

When do the words "I'm sorry" mean nothing? When his words hurt more than his touch? What happens when leaving is harder than staying? Fear. The lines between right and wrong have become so blurred...accepting who you've become is not an option.Shame.Escape is the only way to fight back...finding someone willing to fight with you is something you never saw coming. Hope.But before you can conquer love, you have to battle your past...
