My experience of Freelanders is a happy one even with the occasional drama, and I for one have found them more reliable than 110s I have owned . My last long drive was from Castellon Espana to Tehran Iran in a 2003 TD4 with 130000 on the clock unmodified other than EGR ( 22mm end cap solution) and cyclone oil separator only problem broken droplink and I had spares.

Refinement is a key strength and the Land Rover is as happy plugging through deep mud as it is cruising on the motorway or taking on the school run. Compared to the previous Freelander, quality and reliability have taken a huge leap forward too and this model feels as robust and well built as a Land Rover should.

~~Used Land Rover Freelander Station Wagon (2006 - 2014~~

So although the Land Rover Freelander buyer's guide shows the average price and average mileage, it should be taken as a starting point, rather than an exact indicator of the price you should expect to pay for a specific used Land Rover Freelander. It's a useful guide to used Land Rover Freelander values. Used Land Rover Freelander Cars
