Another five fabulous Tashi books all together in one big, fat volume. Ten terrific Tashi stories!

The ultimate sartorial and etiquette guide, from the ultimate life and style guru. By turns witty, sardonic, and always insightful, Glenn O'Brien's advice column has been a must-read for several generations of men (and their spouses and girlfriends). Having cut his teeth as a contributor at Andy Warhol's Interview in its heyday, O'Brien sharpened them as the creative director of advertising at the hip department store Barneys New York for ten years before starting his advice column at Details magazine in 1996. Eventually his column, "The Style Guy," migrated to its permanent home at GQ magazine, where O'Brien dispenses well-honed knowledge on matters ranging from how to throw a cocktail party (a diverse guest list is a must), putting together a wardrobe for a trip to Bermuda (pack more clothes for less dressing), or when it is appropriate to wear flip-flops in public (never). How To Be a Man is the culmination of O'Brien's thirty years of accumulated style and etiquette wisdom, distilled through his gimlet eye and droll prose. With over forty chapters on style and fashion (and the difference), on dandies and dudes, grooming and decorating, on how to dress age-appropriately and how to age gracefully, this guide is the new essential read for men of all ages.

The final exam is survival. Paul is the new kid at Mortingham Boarding Academy, and he has a dark secret. Caitlyn admires Paul from afar and resents that he only has eyes for Erika. Erika thinks that she and Caitlyn are best friends, but she's wrong. Adam is a bully with a major chip on his shoulder. Mark is outgrowing his old friends but doesn't know how to make new ones. In a few short hours, none of this will matter. Without warning, a horrifying infection will spread across the school grounds, and a group of students with little in common will find themselves barricaded in a classroom, fighting for their lives. Some will live. Some will die. And then it will get even worse. Fast-paced and frightening, Silver is a tale set on the fringes of science and horror - a story about the struggle to survive in the face of impossible odds.

Inside the lilac hedge, two sets of glittering emerald eyes observed Matilda through the heart-shaped leaves. 'It is the princess!' whispered a tiny voice . . . When the pixies and fairies of the lilac hedge mistake Matilda for royalty, she is drawn into a wondrous world. But evil forces threaten the hedge and its folk, and Matilda must fight to save her new friends. She can't do it alone, but could it mean losing her sister forever? Fans of The Magic Faraway Tree and the Narnia series won't be able to resist The Accidental Princess!

It's Eva Wingdale's time to shine!

Perfect for fans of Neil Gaiman and Tim Burton, this is no ordinary fairy tale. When Poison's baby sister is stolen by phaeries, Poison sets off on an incredible and dangerous journey to get her sister back from the Phaerie Lord. But as Poison travels to the Realm of Phaerie, she discovers that her story - and her destiny - is not in her control, and that she will need all her wits about her to survive. A fantasy where the power of story maybe the only thing that will save you, and where imagination knows no bounds.

Super Rabbit Boy must travel back in time to stop King Viking!

Half mermaid, half unicorn, and totally adorable! Lucky the mermicorn has a special talent for finding just the right kind of magic to help his friends. So when Echo the dolphin needs extra dolphins to enter the Perfect Pearl Path Scavenger Hunt, Lucky swims to her rescue. By using a new, fin-credible shell that can multiply anything, Lucky creates extra Echos. But extra dolphins soon become more than even the Fin-tastic Four can handle! The dolphin copies are causing all kinds of chaos, all over Mermicorn Island. Lucky has to put a stop to it-before the real Echo takes all the blame!

In order to earn their Bravery Patches, Bo and the other unicorns of Sparklegrove Forest have to camp out in the forest for three nights; but the night is full of frightening noises, and when a misunderstanding offends some pixies, the unicorns resolve to face their fears and confront the "monsters" who are stealing the pixies' houses.

Life, love and everything in between - gripping soap opera drama that will make teen readers desperate for more... Eve seems to have the perfect life, but she has a very big secret, one that's tearing her apart. What's happening to her? Ignoring her feelings, Eve decides to distract herself by throwing a party to end all parties. Little does she know that it will end with a tragedy that will make Eve realize that she has to take the biggest risk of her life and reveal the truth she's denied to herself, and everyone else, for so long.
