If The Beatles were early rock's good guys in white hats, the Stones giddily took on the role of black-hatted bad boys. Powered through the years by Keith Richards' uncanny knack for gut-punching rock guitar riffs, the Stones have amazingly just celebrated 50 years of bad-boy rock! With this book, you will learn all the great guitar parts to ten Stones classics. To make learning Keef's guitar parts both fun and easy, the included DVD contains complete, easy-to-follow video lessons for each song. And if you use the disc in a computer, you can access sound-alike and play-along MP3s of every tune, and our exclusive TNT 2 Custom Mix software that lets you alter the instrument and vocal mix for play-along. There is software included that lets you slow the tempo down so that you can get your muscle memory down and then gradually increase the tempo. Also the book with the notes and tab makes it very easy to practice. Open E and G tuning is explained and makes your guitar sound like Keith Richards!
