Half Bad is a wonderful integration of witches into modern day society and makes for an intriguing and compelling story that makes you question today's world(or at least it did for me). The far superior White Witches or S***es(I love this!) as they become to be known through one character, have control of much of the UK and are in the process of hunting down and seemingly culling Black Witches.

Half Wild is quite impressive, and at times, more than a little revolting. This is not Harry, Ron and Hermione searching for Deathly Hallows. Not by a long shot. The continuing saga of half code Nathan and his enamored companion Gabriel and the fair Annalise is ratcheted up a notch.

The powerful and riveting second book in the Half Bad trilogy. In a modern-day England where two warring factions of witches live amongst humans, seventeen-year-old Nathan is an abomination, the illegitimate son of the world's most powerful and violent witch. Nathan is hunted from all sides: nowhere is safe and no one can be trusted. Now, Nathan has come into his own unique magical Gift, and he's on the run--but the Hunters are close behind, and they will stop at nothing until they have captured Nathan and destroyed his father. The Half Bad trilogy has been translated into more than 50 languages. TIME Magazine calls it "highly entertaining and dangerously addictive." Kate Atkinson says it's "brilliant and utterly compelling." London's Daily Telegraph has named author Sally Green "the new J.K. Rowling." Discover the story that readers all over the world are raving about.

In modern-day England, where witches live alongside humans, Nathan, son of a White witch and the most powerful Black witch, must escape captivity before his seventeenth birthday and receive the gifts that will determine his future.

and they will stop at nothing until they have captured Nathan and destroyed his father.

The stunning conclusion to the internationally acclaimed Half Bad trilogy, Half Lost tells the story of a dangerous world of witches at war, and the young man caught in the middle.

Half Truths follows Gabriel's story from the time he arrives Switzerland, seeking help in recovering his magical powers from the conniving Black Witch Mercury, and goes up until the moment when he first meets Nathan and their paths become forever intertwined. For the new reader, this is the perfect bite-sized introduction to the world of Half Bad, where witches and humans live alongside one another. And for the returning reader, this story sheds new light on one of the trilogy's most beloved characters.

King Aloysius discovers that demons' smoke will enable him to build an army of children to help expand his realm and power. Princess Catherine calls upon her allies who can use their unique talents to stop him as he breaches the barriers between worlds and unleashes demons upon the kingdom.

The heart-pounding conclusion to the daring Smoke Thieves trilogy. In this conclusion to the epic Smoke Thieves trilogy, the world has erupted into all-out war. King Aloysius is mining powerful demon smoke and using it to fuel an unstoppable army of children. March, now banished for treason, has joined up with this boy army. Forbidden from ever seeing Edyon again, and overwhelmed by his own betrayal, March no longer cares if he lives or dies. Catherine--now queen of Pitoria--must find a way to defeat the boy army, while also grappling with her own troubles: her secret demon smoke addiction, and unresolved tension with her former lover, Ambrose. Catherine seeks military support from Calidor by reaching out to her illegitimate cousin Edyon, who has been proclaimed heir to the Calidorian throne. But Edyon has almost no power as he's entangled in the unfamiliar machinations and manipulations of the royal court, finding that being the claimed son of a prince may be no easier than being a bastard. With Catherine, his love, now married off and moving on, and his brother and sister tortured and executed before him, Ambrose doesn't know what his role in this world is any more. He leads an expedition into the demon world, hoping to destroy the boy army's stores of demon smoke. In this underground world, he runs into Tash, whom everyone had believed dead. She has survived in this new world using magical abilities that, prior to now, only demons had. Aloysius will send his demon smoke-powered boy army to kill them all, if he can. But what nobody knows is that there is more to the smoke than meets the eye...
