"Sound is more than simply a medium of artistic expression. Sound has practical and powerful applications in the real world." Mantras, or simple chants, are short phrases packed with energy and intention--specifically designed to generate powerful sound waves that promote healing, insight, creativity, and spiritual growth. Healing Mantras is the practical, how-to guide that makes the strengths and benefits of mantras available to everyone. The transformative power of sound has been passed down to the present from the sages of India, the classical scientists of ancient Greece, and the medieval monks of Europe. Mantras, sounds, and chants have inspired, comforted, and mended the lives of individuals, religious orders, and even entire cultures. Even though the science and discipline of chanting and formal prayer are practiced in every religion around the world, this is the first time that ancient Sanskrit mantras have been explained and adapted to Western needs. One of the few Western experts in Hindu and Buddhist mantras, Thomas Ashley-Farrand has practiced mantra-based spiritual disciplines for twenty-five years. In this illuminating book, he explains how and why mantras work and shows how to use them for everything from controlling habits to overcoming fear, from curing specific ailments to finding inner peace. In each of the more than fifty mantras, all translated from the original Sanskrit, Ashley-Farrand unlocks the power of every word, explains its appropriate application, and tells you how to pronounce it in easy-to-follow phonetic symbols. Inside, you'll find mantras for - Health - Worldly Success - Habit Control - Protection - Grief - Anger - Controlling Fear - Personal Attraction - Wisdom - Concentration and Mental Clarity - Healing Life Issues - and more! These Mantras can be repeated aloud or in silence and can be used by people of any religion or spiritual practice, "as you wash dishes, as you drive on the freeway, as you meditate, or as you cook." Sound can help and sound can heal, and Healing Mantras now makes this sound medicine available to everyone.

Explains how and why mantras work, and shows how to use them for everything from controlling habits to overcoming fear, curing specific ailments to finding inner peace

Mantras have long enabled people to solve their spiritual and material problems and are applicable to many situations. This is a practical, how-to-guide for everyone.

Mantras have long enabled people to solve their spiritual and material problems and are applicable to many situations. This is a practical, how-to-guide for everyone.

Sit back, take a deep breath, and embrace the vibrations of the gods themselves... Are you always haunted by the stress and anxiety of daily life, looking for a way to calm your mind, center yourself, and live in the present? It feels like you're racing against the clock's hands, never able to catch up or catch a breath... Are you tired of the negativity in your life, searching for a way to bring out all the positive energy dormant inside you? You may even be tired of being tired, and you just want all this exhaustion, stress, and anxiety to go away once and for all... Wherever you are right now, pause. Take a deep breath, exhale, and say, "Om," out loud for as long as your exhalation allows... Feel the sound's vibrations embrace your head and your heart... Give it the chance to help you relax, even just for a moment. The sacred sound "Om" is but a sample of the vast and ancient tradition of divine sounds, called mantras, meant to help us connect with ourselves and the energetic world around us. Those vibrations are said to be so powerful, that they can even heal our body and mind from all kinds of illnesses and diseases. However, mantras don 't hold any power in their dormant form--the only way to give them potency is to approach them with sincerity of thought and purity of mind and intentions. If you are indeed looking to use mantras to make an effective positive change in your life, look no further! With the secrets of the divine sounds and the right tools to activate them correctly, you will be able to take back control of your life and transform those negative, draining vibrations in your life into ones that make you more connected with yourself and everything around you. In Healing Mantras, you will discover: The secrets of the ancient Sanskrit language, and how to use it to connect to the endless sources of healing energies that surround you The extensive power of the simplest Bija mantras and what they can do to enhance and heal your bodily and mental functions The 4 sacred goals of life according to Hindu tradition, and how mantras can help you achieve every single one of them to be in harmony with yourself and everything around you The #1 way, to set the right intentions to avoid bringing upon you any destructive force or bad karma The most powerful mantras to support proper physical health and heal you from chronic illnesses and devastating infections A plethora of mantras to ease your mind from all its ailments, and set yourself on the path of good mental health and wellbeing The mantras you must know to bestow upon yourself good fortune so you can find and maintain positive and healthy relationships in your life And much more. You don't need to be a Hindu monk or a trained guru to reap the endless benefits and value that mantras can add to your life. Mantras are indeed universal. You don't have to learn their sacred language to receive their energy--you just need to be open enough to let it flow within you. Whether you want to feel more focused, heal from depression, or even help treat chronic illnesses, there's a mantra out there waiting to unconditionally share its positive vibrations and healing powers with your whole being. If you want to explore the endless healing powers of mantras, get rid of mental and physical ailments, and lead a positive life, then scroll up and click the "Add to Cart" button right now.

James D'Angelo introduces the concepts behind sound healing and the ways in which group singing can contribute to physical and mental health. Authentic chants and mantras from around the world, techniques for producing overtones, and simple movements disposing the body to inner harmony, health, and peace are included.

The kalimba came from Africa, but it is perfectly suitable for any kind of ethnic music. The kalimba has a rather meditative quality since each sound can be observed separately. Mindful observation of playing each note can even induce a trance state in the listener. Although mantras are not typically played on the kalimba, you can have a unique spiritual experience nonetheless. If you love yoga, meditation or are interested in Indian culture, playing mantras will evoke a deep resonance in your heart. Here are 20 Indian mantras adapted for 10 and 17 key kalimbas. All songs are in easily readable diatonic arrangements with number notation. Our aim is to make playing as simple as possible. Even if you don't have to make playing very fast. We added a QR code to all songs. You can follow the link and listen to the rhythm and the melody before beginning to play. Thomas Ashley-Farrand is the preeminent authority on yogic mantras. In Chakra Mantras, he brings previously hidden knowledge from India and Tibet and teaches us through the use of mantras how to activate our secret chakras, which contain the keys to our spiritual progress. Located along the spine, the chakras process energy for all of our waking activities, and during sleep they provide energy for healing and cleansing the physical body. But there is another, higher octave of functioning that these chakras can achieve, if they are given higher states of spiritual energy in which to operate. This higher octave provides paths for spiritual development that ultimately lead to spiritual liberation or freedom from karma. A powerful method for charging the chakras with higher energy is through the use of Sanskrit mantras. With energy-invoking tools, stories from India's ancient tales, and amusing anecdotes, Chakra Mantras provides the information needed for fueling spiritual advancement through the use of healing sounds and chakra mantras.

Emphasizes the transformative and healing powers of the Shakti, the Great Feminine power, in a guide that includes a host of mantras designed to help control bad habits, overcome fear, treat and cure specific health ailments, and promote inner peace. Original
