Hearts Like Hers is the second instalment from the Seven Shores Romance series by Melissa Brayden. I'd advise all readers to start with the first book 'Eyes Like Hers' for continuity with characters. Each book centres around one of four best friends that live in the Seven Shores apartment complex in Venice Beach, L.A.

However, Hearts like Hers was predictable from the start. There was no cat and mouse game which left me wanting more and reading late into the night. Instead, I was skimming through pages just to finish. I'm hoping Brayden's next book proves to be more. Read more. Helpful.
