The Cut-Outs During the last decade of his life Henri Matisse deployed two simple materials—white paper and gouache—to create works of wide-ranging color and complexity. An unorthodox implement, a pair of scissors, was the tool Matisse used to transform paint and paper into a world of plants, animals, figures, and shapes. What is a Cut-Out?

MoMA | Henri Matisse: The Cut-Outs

With the aid of Lydia Delectorskaya and assistants he set about creating cut paper collages, often on a enormous scale, called gouaches découpés. By maneuvering scissors through prepared sheets of paper, he inaugurated a new phase of his career. Matisse was hardly new to cutting.
