In Defense of Post-Keynesian and Heterodox Economics ...

Post-Keynesian and heterodox economics challenge the mainstream economics theories that dominate the teaching at universities and government economic policies. And it was these latter theories that helped to cause the great depression the United States and the rest of the world is in. However, most economists and the top 1% do not want mainstream theories challenged-for to do so would mean ...

In Defense of Post-Keynesian and Heterodox Economics ...

This book makes it clear that Post Keynesian/heterodox economics is, in spite of internal problems, a viable and important approach to economics and that it should resist the attempts of the critics to bury it. The reader will also find arguments that directly engage the critics and suggest that their views/criticisms are vacuous and wrong.

In Defense of Post-Keynesian and Heterodox Economics ...

Post-Keynesian Economics (PKE) is a school of economic thought which builds upon John Maynard Keynes's and Michal Kalecki's argument that effective demand is the key determinant of economic performance. PKE rejects the methodological individualism that underlies much of mainstream economics.

Post-Keynesian Economics | PKEs

In this volume, leading post Keynesian economists challenge New Keynesianism both on the grounds that it is not Keynesian, and does not provide an adequate account of our current economic problems. Название: In Defense of Post-Keynesian and Heterodox Economics

Arestis Capital Controversy, Post Keynesian Economics and ...

Military Keynesianism is an economic policy based on the position that government should raise military spending to boost economic growth. It is a fiscal stimulus policy as advocated by Keynes. But where Keynes advocated increasing public spending on socially useful items, additional public spending is allocated to the arms industry, the area of defense being that over which the executive exercises greater discretionary power. Typical examples of such policies are National Socialist Germany, or
