Expanded discussion surrounding the legal definition of rape and how it applies to the highly publicized Brock Turner case further clarifies for students what is (and isn't) considered rape in the eyes of the law across different states. Current topics affecting today's criminal justice system encourage classroom discussion of pressing topics such as the country's changing marijuana laws, why diversity in policing has been historically low, policing technology and privacy concerns, the policies of the Trump administration, and peer courts in the juvenile justice system. Updated statistics and data are included where available, along with an acknowledgement and discussion surrounding why some FBI and NCVS data

## Read Free Introduction To Criminal Justice 7th Edition

performing the job within a legal framework places a criminal justice agency in the best position to defend against a lawsuit. This handbook addresses the problems confronting criminal justice practitioners and their agencies due to the ever-increasing number of civil liability lawsuits. It introduces the reader to civil liability generally and the federal law specifically, while indicating the steps that can be taken to minimize the risk of litigation. *Civil Liability in Criminal Justice* is one of very few texts on the subject that combines applicable case law and related liability research, a valuable feature for current and future policy makers and managers. Ross also provides an overview of current case law in high-liability areas,
