Is Marriage For White People  
Is Marriage for White People?: How the African American Marriage Decline Affects Everyone is a non-fiction book by Ralph Richard Banks, a writer and Stanford Law School professor. He concludes that "single is the new black", which poses serious problems for the African American community. He recommends that black women open themselves up to be willing to enter serious relationships with men of other races and backgrounds, and he argues that it will improve black men and women alike.
