Japan's Open Future by John Haffner

Japan's Open Future: An Agenda for Global Citizenship. ... A globally engaged, more open Japan, the authors argue, is win-win-win: good for Japan, good for Asia, and good for the world. If Japan is truly to become a global citizen, however, it must not only reach out more to the world, it must also admit more of the world's new ideas, people ...

Japan's Open Future: An Agenda for Global Citizenship (Hb)

'Japan stands at the brink of a major financial crisis!' Authors John Haffner, Tomas Casas i Klett and Jean-Pierre Lehmann argue that an economic mega-shock would be helpful for the Japanese economy's throwing it open to new ideas, investments and policies.' [The Globalist] 'What needs to done is summed up [Japan's Open Future].

implement the 2030 Agenda and other international initiatives including the G7 Ise-shima Summit in Africa, Japan committed to invest approximately 30 billion USD under public-private partnership for the future of Africa, focusing on economic diversification and industrialization, promoting resilient health systems, and promoting social stability.

The 2030 Agenda for Sustainable Development and Japan's ...

Japan's Open Future represents yet another attempt by foreign liberal fascists to try and turn Japan away from its own values and cajole it into embracing the US and the UK model by embracing diversity, encouraging mass immigration and developing a dog-eat-dog working environment with no job security, which results in the break-up of communities and a plutocracy.

Natural Partners: A Future Agenda for Japan-Australia Relations. By Sumio Kusaka, Former Ambassador of Japan to Australia. The rise of an assertive China, the absence of American leadership, and the coronavirus pandemic have combined to pose unprecedented challenges to the countries of the Indo-Pacific. Former Japanese ambassador Sumio Kusaka argues they also provide the rationale for a new era in Australia-Japan relations and the consolidation of a 'natural' partnership.
