THE SUNDAY TIMES BESTSELLER 'Outrageous, audacious, jaw-dropping' SUNDAY TIMES 'An essential read' DAILY MAIL 'Utterly captivating' DAILY TELEGRAPH 'Hugely entertaining' GUARDIAN The fascinating life story of professional cricketer Kevin Pietersen, MBE, from his childhood in South Africa to his experiences as one of the leading lights in the world of international cricket. Kevin was dropped from the England squad in February 2014, seemingly calling time on an international career that began nearly ten years earlier. The decision puzzled many observers - although the England team had failed miserably in the Ashes tour of 2013-14, Kevin was the tourists' leading run scorer across the series, and he remains the country's highest run scorer of all time across all formats of the game. Kevin reveals all in his autobiography, telling the stories behind the many other highs and lows of his incredible career. Giving readers the full story of his life, from his childhood in South Africa to his experiences as one of the leading lights in the world of international cricket, KP is an autobiography that entertains and fascinates readers in equal measure.

Described by the media as 'the David Beckham of cricket', Kevin has become the poster boy for English cricket. But he is also in possession of a prodigious talent - fearless, bold and with unflappable nerves. His unique batting style has produced hundreds of runs and many outstanding innings, culminating in his extraordinary triumph at the 2005 Ashes. Yet with the highs, come the lows, and he gives his version of events during the 2006/07 Ashes when England were defeated by Australia. *Crossing the Boundary* recounts Kevin's remarkable journey so far - from growing up in his native South Africa and the opposition he faced from the national cricket board; his move to England and burgeoning career at Hampshire to winning a place on the England team. It provides a rare insight into the mind of an international cricketer, on and off the pitch. Reflecting his youthful charisma and his bullish confidence, this is a sporting memoir like no other. Full of personal anecdotes and insight from numerous sporting legends such as Shane Warne, Ian Botham, and Nasser Hussain, this is the riveting story of one of the most significant cricketers of our time.

That Kevin Smith? The guy who did "Clerks" a million years ago? Didn't they bounce his fat ass off a plane once? What could you possibly learn from the director of "Cop Out"? How about this: he changed filmmaking forever when he was twenty-three, and since then, he's done whatever the hell he wants. He makes movies, writes comics, owns a store, and now he's built a podcasting empire with his friends and family, including a wife who's way out of his league. So here's some tough shit: Kevin Smith has cracked the code. Or, he's just cracked. Tough Sh*t is the dirty business that Kevin has been digesting for 41 years and now, he's ready to put it in your hands. Smear this shit all over yourself, because this is your blueprint (or brownprint) for success. Kev takes you through some big moments in his life to help you live your days in as Gretzky a fashion as you can: going where the puck is gonna be. Read all about how a zero like Smith managed to make ten movies with no discernible talent, and how when he had everything he thought he'd ever want, he decided to blow up his own career. Along the way, Kev shares stories about folks who inspired him (like George Carlin), folks who befuddled him (like Bruce Willis), and folks who let him jerk off onto their legs (like his beloved wife, Jen). So make this your daily reader. Hell, read it on the toilet if you want. Just make sure you grab the bowl and push, because you're about to take one Tough Sh*t.

Presents the life of Queen Elizabeth I, from her birth to Henry VIII and Anne Boleyn in 1533 and her imprisonment by her half-sister, to her reign as queen, which brought peace, stability, and prosperity to sixteenth-century England.

At age two, Helen Keller became deaf and blind. She lived in a world of silence and darkness and she spent the rest of her life struggling to break through it. But with the help of teacher Annie Sullivan, Helen learned to read, write, and do many amazing things. This inspiring illustrated biography is perfect for young middle-grade readers. Black-and-white line drawings throughout, sidebars on related topics such as Louis Braille, a timeline, and a bibliography enhance readers' understanding of the subject.

Born in South Africa in 1980 to an Afrikaner father and English mother, he made his first-class debut at the age of 17. In 1999, while playing with KwaZulu Natal, he impressed former England captain Nasser Hussain and the following year signed for Nottinghamshire. He had a stunning debut season. "If he can maintain his first season's form, the name of Pietersen should be pencilled in for future Test squads," was the glowing report in the Wisden Cricketers' Almanack. He moved to Shane Warne's Hampshire in 2004 and went on to make his international debut in the controversial tour of Zimbabwe the same year. He soon became a cornerstone of the England side and played a key role in the thrilling victory in the 2005 Ashes, where he finished the series as the highest scoring player. In August 2008, he was appointed captain and led his adopted country to a victory in the Test against South Africa, and four wins in one day internationals. But his captaincy lasted only five short months and, after continual run-ins with the team's coach Peter Moores, he quit in early January 2009. Cocky, outspoken, and undoubtedly talented, Kevin Pietersen looks sure to be a giant of the sport for many years to come.

The number 1 bestseller in paperback. One of the greatest cricketers of all time, Ricky Ponting boasts more records than any other player in Australian history including the most wins as a player and a captain, as well as being Australia's highest run-scorer in test and ODI cricket. From childhood prodigy to the highs and lows of an extraordinary international career, *At the Close of Play* is the remarkable autobiography of one of the game's greats. But beyond the triumphs and scandals, records and retirement, this is the story of a life lived in cricket and of a life shaped by extraordinary talent and the people who believed in that talent.

Everyone knows the story, or thinks they do. The leg-spinner who rewrote the record books. One of Wisden's five cricketers of the twentieth century. A sporting idol across the globe. A magnet for the tabloids. But the millions of words written and spoken about Shane Warne since his explosive arrival on the Test cricket scene in 1992 have only scratched the surface. The real story has remained untold. In *No Spin*, Shane sets the record straight. From his extraordinary family history to his childhood as a budding Aussie Rules footballer in suburban Melbourne. From the legendary 'Getting ball' to his history-making 700th Test wicket. From the controversy surrounding the diuretic pill in South Africa to his high-profile relationship with Hollywood star Elizabeth Hurley. Nothing is off limits, and Shane tackles it all with his trademark directness and humour. These days an incisive, charismatic TV commentator and analyst, the 'Sultan of Spin' also lets us in on the mysterious art of leg-spin bowling, revealing the secrets of some of his deadliest deliveries. As Shane says, 'Few batsmen, if any, truly know what I do.' A sporting great, a celebrity, a family man and a self-confessed regular Aussie bloke from the suburbs, in *No Spin* Shane offers a compelling insight into how a boy from Black Rock changed the face of cricket forever.
