## **Culture And Communication**

7. Which of the following statements is true about the relationship between language and identity?

Language is an integral part of our personal, social, ethnic, and national identities, because language

# Download Free Language

marks our cultural and social boundaries. The language we speak does not influence how we perceive and categorize the world around us in any way.

## Culture And

Culture enhances communication, and this is why

people usually understand those of similar background best.

As the world shrinks, cultural understanding becomes more important.

Although English

# Download Free Language

has become a  
language of  
interpretation, its  
use as a bridge  
cannot replace  
cultural  
understanding as a  
part of true  
communication.

## **What Is the Relationship Between Culture and**

# Download Free Language

## **Communication?**

"Culture is communication and

communication is culture." Every culture around the world has a unique language. This language is made up of ideals, values, beliefs, traditions, and further attributes

# Download Free Language

that constitute the  
essence of one's  
ways of  
communication.
