The classic status of the first edition of F A Mann's work The Legal Aspect Of Money has long been beyond doubt: in 1939 it established in English legal literature an important legal subject that that had previously scarcely been considered by the English court but would, in the financial turbulence of the years following the Second World War, increasingly come before that court and others. Mann's work was both deep and systematic, rich in reference to practice and principle from other legal ...

~~F.A. Mann~~  
In the United Kingdom, Mann first worked as a consultant in German law. He also studied at the London School of Economics, obtaining an LLM in 1936. He published, in 1938, The Legal Aspect of Money, the first systematic study of the law of money in English, having first submitted it to the University of London for the LL.D. The work was the first systematic study of the subject in English, in addition of being one of the first books by a living author to be quoted in court, tradition hitherto ...
