There are various types of multiple-choice questions. Some tests will use just one, others will use several, or even all of them. Below are the most common types of multiple-choice questions you are likely to encounter. The "Who, What, Where Question." This is the simplest, most basic form of multiple-choice question. It asks for you to recall a single, simple fact about the material.

How to Answer Multiple Choice Questions - The Complete Guide

We make surveys easy so you can quickly get to making great decisions. It would be easier for responses to roll in if everyone took a survey on their own device—but sometimes there's a challenge when your audience shares devices, like in a classroom, computer lab, or office. Luckily, there's an easy way to make [...]
