Thousands of years, hundreds of generations, and countless hours of research; men have been trying to figure out the inner workings of the female mind. Now after all this time wishing women came with an instruction manual, it's finally here. Everything man knows about women and how their mind works are contained in these pages. Regrettably, after all this time, men still haven't figured out squat about women. That's why the pages of this book are mostly blank. But fear not, that just means you will have plenty of room in every chapter to write down what you learn about the woman in your life. This book offers multiple uses. 1)

This can be given as a gift, providing a subtle hint to a man you know that is not as knowledgeable as he thinks. 2) Women, you can fill in the pages yourself. What better gift to give a man than the customized manual to how your mind works. 3) Men can use their keen observational and problem-solving skills as they expertly write down everything there is to know about how and why the woman in their life thinks and behaves the way they do. Great for men who are just starting to date, in a long-term relationship, engaged, or married. It's never too early or too late to give a man the knowledge and information that has been searched for over thousands of years.

At Last! A Comprehensive Guide to Sexual Intercourse! Sex is as old as human civilization—so why, after all these years, are the secrets of a rewarding sex life so elusive? Fortunately, The Sex Instruction Manual is here to answer all of your most pressing questions: Why do men fall asleep after achieving orgasm? What 's the G-spot and where can I find it? How can I introduce sex toys into my relationship? Are there really condoms designed for women? And what in the world is “doorknobbing”? You 'll find answers to all of these questions and more, courtesy of author and celebrated “sexpert” Felicia Zopol.

New to this edition: Up-to-date information on on-line research and computer resources. A unique four-way access system enables users of the Handbook of Technical Writing to find what they need quickly and get on with the job of writing: 1. The hundreds of entries in the body of the Handbook are alphabetically arranged, so you can flip right to the topic at hand. Words and phrases in bold type provide cross-references to related entries. 2. The topical key groups alphabetical entries and page numbers under broader topic categories. This topical table of contents allows you to check broader subject areas for the specific topic you need. 3. The checklist of the writing process summarizes the opening essay on "Five Steps to Successful Writing" in checklist form with page references to related topics, making it easy to use the Handbook as a writing text. 4. The comprehensive index provides an exhaustive listing of related and commonly confused topics, so you can easily locate information even when you don't know the exact term you're looking for.

The book gives clarity to your confusion, provides you with a new concept of self-esteem and confidence, and removes the veil of the shadow that keeps humans from becoming their optimal self. Part 1 also explains why life is half backwards too! The overall structure of the book bridges the gap between the tangible science humans think they know and the intangible realities they ignore, fear, and deny as real. The book gives you the conversation you always wanted but never knew you needed. If you only own one book this is certainly the one to have, and if you only have room for one more book - make room for this one. Consider the book the base foundation material that the personal development industry must have to completely transform the "Juice Factory" method into a self-sustainable and self-maintainable process that lasts and never fails. YES - Never Fails! "JUICE FACTORY" - the high energy hype
