Noughts & Crosses is a series of young adult novels by British author Malorie Blackman, including five novels and three novellas. The series is speculative fiction describing an alternative history in which native African people had colonised the European people, rather than the other way around, with Africans having made Europeans their slaves. The series takes place in an alternative 21st-century Britain. At the time of the series, slavery had been abolished for some time, but segregation, sim
