OCR Gateway Purity and separating mixtures There are different ways to separate mixtures, for example by filtration, crystallisation, distillation, or chromatography. The method chosen depends upon...

[Chromatography - Purity and separating mixtures - OCR ...](#)

The simplest answer is that Gateway Science takes the traditional conceptual approach similar to that taken by the other GCSE sciences from the other exam boards. Twenty First Century Science is context led (related to everyday application of science) and available as separate science GCSEs in addition to Combined Science GCSE (unlike AQA Synergy). Gateway Science grew out of Suffolk Science and the assessments continue to reflect the approach of that earlier teacher led initiative.
