You may want or need to open a bank account in your home country or in another EU country. If you are legally resident in an EU country you are entitled to open a "basic payment account". Banks cannot refuse your application for a basic payment account just because you don't live in the country where the bank is established.

Opening a basic bank account within the EU - Your Europe

The Commission has the power to do this in two ways: by opening up the postal services markets, and by enforcing competition rules where relevant. Opening up the postal services markets The EU law on postal services consists of three postal directives: Directive 97/67/EC of 1997 , as amended by Directive 2002/39 and Directive 2008/6/EC .

European Commission - Competition

Any business legally established in a European country may open a secondary establishment, such as an office, agency, Branch or Subsidiary, in another EU member state. Here we look at the benefits of, and differences between, setting up a Branch and a Subsidiary.

The Benefits of Establishing a Branch or Subsidiary in ...

To establish a European Company you must abide by all the requirements listed below: Your registered office and your head office must be in the same EU country. You must have a presence in other EU countries (subsidiaries or branches), or all companies involved need to be governed by the laws of at least two different EU countries.

Setting up a European Company (SE) - Your Europe

European Commission - DG Home Affairs. The Schengen Borders Code provides Member States with the capability of temporarily reintroducing border control at the internal borders in the event that a serious threat to public policy or internal security has been established.

Temporary Reintroduction of Border ... - European Commission

A working group has been established to develop these plans, made up of HMCTS officials, the judiciary, legal professional bodies, representatives of victims' groups and other court users.
