The four volumes of her bestselling saga, featuring eighteenth-century Scotsman James Fraser and his twentieth-century, time-travelling wife, Claire Randall, boasts nearly 5 million copies in the U.S. The story of Outlander begins just after the Second World War, when a British field nurse named Claire Randall walks through a cleft stone in the Scottish highlands and is transported back some two hundred years to 1743. Here, now, is The Fiery Cross, the eagerly awaited fifth volume in this remarkable, award-winning series of historical novels. The year is 1771, and war is approaching. To break his oath to the Crown will brand him a traitor; to keep it is certain doom. Jamie Fraser stands in the shadow of the fiery cross – a standard that leads nowhere but to the bloody brink of war.

From the author of the breathtaking bestsellers Outlander and Dragonfly in Amber, the extraordinary saga continues. Their passionate encounter happened long ago by whatever measurement Claire Randall took. Two decades before, she had traveled back in time and into the arms of a gallant eighteenth-century Scot named Jamie Fraser. Then she returned to her own century to bear his child, believing him dead in the tragic battle of Culloden. Yet his memory has never lessened its hold on her... and her body still cries out for him in her dreams. Then Claire discovers that Jamie survived. Torn between returning to him and staying with their daughter in her own era, Claire must choose her destiny. And as time and space come full circle, she must find the courage to face the passion and pain awaiting her...the deadly intrigues raging in a divided Scotland... and the daring voyage into the dark unknown that can reunite—or forever doom—her timeless love.

With chaos brewing, the governor calls upon Jamie Fraser to unite the backcountry and safeguard the colony for King and Crown. But from his wife Jamie knows that three years hence the shot heard round the world will be fired, and the result will be independence — with those loyal to the King either dead or in exile. And there is also the matter of a tiny clipping from The Wilmington Gazette, dated 1776, which reports Jamie’s death, along with his kin. For once, he hopes, his time-traveling family may be wrong about the future.
