Possession Cognitive Sources Forces And Grammaticalization Possession, in the context of linguistics, is an asymmetric relationship between

Download Free Possession

two constituents, the referent of one of which in some sense possesses the referent of the other.

Possession may be marked in many ways, such as simple juxtaposition of nouns, possessive case, possessed case, construct state, or adpositions. For example, English uses a possessive clitic, 's; a preposition, of; and

Download Free Possession

adjectives, my, your, his, her, etc. Predicates denoting possession may be formed either by using a ver
