But if you keep an open mind until your investigation is complete, you will conduct more thorough interviews—and receive more candid answers to your questions. Ask Open-Ended Questions Your goal when conducting an interview is to get as much information as possible.

Conducting Investigation Interviews | Nolo

Written by NITA guest bloggers Michaela Vrazdova and Michael J. Dale In trial practice, the question often arises as to whether police accident reports are admissible into evidence under the business record exception to the hearsay rule, and if they are not, why not. It turns out that there is no single answer, as states differ. Therefore, this article analyzes the law regarding this issue in ...
