Readers interested in an overview of marketing strategies and techniques. Learn how to create value and gain loyal customers. Principles of Marketing

helps current and aspiring marketers master today's key marketing challenge: to create vibrant, interactive communities of consumers who make products and brands a part of their daily lives. Presenting fundamental marketing information within an innovative customer-value framework, the book helps readers understand how to create value and gain loyal customers. The fifteenth edition has been thoroughly revised to reflect the major trends and forces impacting marketing in this era of customer value and high-tech customer relationships. Emphasizing the great role that technology plays in contemporary marketing, it's packed with new stories and examples illustrating how companies employ technology to gain competitive advantage--from traditional marketing all-stars such as P&G and McDonald's to new-age digital competitors such as Apple and Google.

An introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. Principles of Marketing keeps pace with a rapidly changing field, focussing on the ways brands create and capture consumer value. Practical content and linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest edition enhances understanding with a unique learning design including revised, integrative concept maps at the start of each chapter, end-of-chapter features summarising ideas and themes, a mix of mini and major case studies to illuminate concepts, and critical thinking exercises for applying skills.

Revised edition of the authors' Principles of marketing.

Since 1969, Philip Kotler's marketing text books have been read as the marketing gospel, as he has provided incisive and valuable advice on how to create, win and dominate markets. In KOTLER ON MARKETING, he has combined the expertise of his bestselling textbooks and world renowned seminars into this practical all-in-one book, covering everything there is to know about marketing. In a clear, straightforward style, Kotler covers every area of marketing from assessing what customers want and need in order to build brand equity, to creating loyal long-term customers. For business executives everywhere, KOTLER ON MARKETING will become the outstanding work in the field. The secret of Kotler's success is in the readability, clarity, logic and precision of his prose, which derives from his vigorous scientific training in economics, mathematics and the behavioural sciences. Each point and chapter is plotted sequentially to build, block by block, on the strategic foundation and tactical superstructure of the book.
