Now, for the more than 40 million people in the United States who identify themselves as nonreligious, Raising Freethinkers offers solutions to the unique challenges secular parents face and provides specific answers to common questions, as well as over 100 activities for both parents and their children. This book covers every important topic nonreligious parents need to know to help their children with their own moral and intellectual development, including advice on religious-extended ...

Raising Freethinkers: A Practical Guide for Parenting ...

Raising Freethinkers is a practical, hands-on book with great advice for raising non-religious children. I like that it's broken up into ages, so each activity is marked with a certain age range that it's best with. That has helped me make sure that I'm not jumping ahead with all these ideas when my kid is still learning to walk.

Raising Freethinkers Quotes by Dale McGowan

Parenting Beyond Belief lays out a general philosophy of non-religious parenting, and Raising Freethinkers "is the answer to practical questions, activities that the family can do together and resource reviews." His seminars and both books aim to help parents raise open-minded, inquiring kids and not to push them towards any particular world view.
