meanings ... by Steinmetz, George H.  
Softcover, 6" x 8", 147 pages

MB510 - Royal Arch: It's Hidden Meaning  
Royal Arch: Its Hidden Meaning by  
George H. Steinmetz remains a highly  
interesting book that covers a very specific  
facet of freemasonry. As the title indicates,  
the book delves into the subject of the  
Royal Arch. To those outside of the  
freemasonic world, the Royal Arch does  
not appear to have much meaning.

Book Review: The Royal Arch: Its Hidden

# Read Free Royal Arch Hidden Meaning Steinmetz

## Meaning ..

Steinmetz provides a metaphysical interpretation of the rituals of Royal Arch Freemasonry as worked in the 20th-century United States. His book stands as a representative instance of mid-century Anglophone occultism, including the ERRATIC use of ALL CAPS.

## The Royal Arch: Its Hidden Meaning by George H. Steinmetz ...

- Missing the bibliography, index and images from the original, so only includes text of the 12 chapters - its had a TOC added, and been formatted to be similar to the layout of The Lost Word - Its Hidden Meaning by the same author, and the page counts somewhat deceptive, as itd likely be around 180 pages with the same font family/size ...

This book will make some people rich.  
This book will save some peoples' lives.  
This book will save some peoples  
marriages. This book will bring some  
people closer to God. The only question  
you need to ask yourself is which one if  
not all will this book do for you?!

Many books have been written about  
Freemasonry. However, there has been  
very little written and published in the area  
of Royal Arch Masonry. To the best of my  
knowledge, there has only been three  
books published in the last one hundred  
and fifty years. (1) Sheville and Gould's  
Guide to the Royal Arch Chapter in 1867  
and 1980; (2) Trunbull and Denslow's A  
History of Royal Arch Masonry published  
by the General Grand Chapter in 1956 and  
1993; and (3) Steinmetz's The Royal Arch  
Its hidden Meaning in 1946 and 1979.  
This book, The History and Symbolism of

# Read Free Royal Arch Hidden Meaning Steinmetz

Royal Arch Masonry fills this void with a clear and accurate analysis of Capitular Masonry. This book covers the world history, U.S. history, and the symbolic content of each of the four major Capitular degrees; the Mark Master, the Past Master, the Most Excellent Master, and Royal Arch, a degree considered by many to be the cope-stone of Masonry. It also covers the Order of Anointed High Priesthood. A chapter is devoted to the history and purposes of that fraternal body that is the mother lode of Capitular Masonry, the General Grand Chapter of Royal Arch Masons, International. A chapter is devoted to Royal Arch Masonry in England, Ireland, and Scotland. This book deals with facts, not myths. Historical quotes are used throughout the book in support of its historical analysis. Many original illustrations adorn the book. Comments by several leading Masons

# Read Free Royal Arch Hidden Meaning Steinmetz

serve to illustrate the importance and strengths of this book. Larry E. Gray, General Grand Scribe, General Grand Chapter Arch Masons, International, writes, "It matters not whether the reader is a casual reader of Masonic materials, or a devout member of the fraternity seeking further light in Masonry; this book is uncomplicated reading, factual and written in layman's terms." Robert M. Seibel, M.W. Past Grand Master, Grand Lodge of F & A. Masons of Indiana writes, "The History and Symbolism of Royal Arch Masonry, will serve Royal Arch Masons throughout the English speaking world in their search for further light in Masonry. I recommend this scholarly expose in your Masonic adventures." Dennis J. Anness, Past Grand High Priest, Grand Chapter of Royal Arch of Indiana writes, "The author of this book writes in a clear and concise manner that serves all readers well.

Whether you are a student of Masonic studies', or have an idle curiosity in the field, or have no knowledge of Masonry, this work is for you." Marion K. Crum, Past Illustrious Master, Grand Council of Cryptic Masons of Indiana writes, "In addition to being written in a clear, concise and understandable manner, he has eliminated many of the myths that have been attached to much of the writings of Freemasonry."

Includes entries for maps and atlases.

Includes Part 1, Books, Group 1 (1946)

The Capitular Development Course is designed to educate Royal Arch Masons,

# Read Free Royal Arch Hidden Meaning Steinmetz

in particular those who are members of the American or York Rite practiced in the United States and a number of other countries around the world. While the book may certainly be read on its own, having a copy of the Holy Bible to hand would assist in understanding much of the symbolism. This book is also intended to be used as a part of a course, run by a Facilitator, when a copy of the State Capitular Rituals should be used to accompany this course. Upon completion of the course, the Companion may consider himself both well versed in the messages and symbolism of the Capitular Degrees, and qualified to pursue his own further education. To this end, a number of books and courses recommended for further study are given at the end of this book.

The Degree of Mark Master, which is the

# Read Free Royal Arch Hidden Meaning Steinmetz

Fourth in the Masonic series, is, historically considered, of the utmost importance, since we are informed that, by its influence, each operative Mason, at the building of King Solomon's Temple, was known and distinguished, and the disorder and confusion which might otherwise have attended so immense an undertaking was completely prevented, and not only the craftsmen themselves, but every part of their workmanship was discriminated with the greatest nicety and the utmost facility. It is claimed by Masonic writers, that this Degree in Masonry was instituted by King Solomon, at the building of the Temple, for the purpose of detecting impostors, while paying wages to the craftsmen. Each operative was required to put his mark upon the product of his labor, and these distinctive marks were all known to the Senior Grand Warden. If any of the workmanship was found to be defective, it

# Read Free Royal Arch Hidden Meaning Steinmetz

was a matter of no difficulty for the overseers to ascertain at once who was the imperfect craftsman, and remedy the defect. Thus the faulty workman was punished, without diminishing the wages of the diligent and faithful craftsmen. Today, Marks are not generally recorded; this duty is very much neglected--it should be done, and strictly enforced in every Lodge of Mark Master Masons. This Book of Marks allows you to actually register up to 500 Masons' Marks of your newly-admitted Brethren to be kept on record for all time. No Mark Masters Lodge or Royal Arch Chapter Library should be without one! Get a copy for your Lodge or Chapter today!
