Know series

"More than 300 activities to introduce, reinforce, and practice sight words"--P.[1] of cover.

Boost essential reading and handwriting skills with this playful series focusing on the topics young learners need to know--alphabet, phonics, word families, and sight words. Each activity page challenges children to form a fun sentence from scrambled words, then copy it with care. Along the way, kids will develop fine motor skills by cutting, gluing, and coloring. Perfect for meaningful seatwork, homework, or learning centers.

Tested by teachers in their own classrooms, the 600 educational activities collected in this book are designed to help five-year-olds develop physical, cognitive, language, and social skills, and are divided into 24 themes, such as art, games, holidays, math, music, outdoor play, nature, and snacks.

Over 100 sight words featured, including 50 reproducible sight word activity pages, simple lesson format to maximize learning of early literacy skills, and bonus activity pages for extended practice.

All of our content is aligned to your State Standards and are written to Bloom's Taxonomy. Increase sight word recognition, vocabulary and comprehension as you help your students identify 130 sight words and 120 common nouns using real life pictures as an aid. Picture associations will aid young readers in developing anchor words to increase their oral and written language. Sight words are words that must become automatically recognized by the reader because they are often not pronounced or spelled in regular ways. We also include the 100 high-frequency words that make almost 50 percent of everything that we read as adults, because having a bank of high frequency words is essential to building fluent reading skills. Reproducible worksheets include: mixed up words, boxed words, writing, cloze sentences, stories and puzzles. Color graphic organizers, a comprehension quiz, and test prep are also included.

I have made this Phonics Letter of the Week unit to address the Kindergarten(Prep) level of learning. The contents of this packet provide teachers with a variety of games, activities and worksheets to help teach correct letter formation, written letter identification and recognition of initial letter sound. My aim when creating this book was to provide a unit for teaching one letter of the alphabet at a time. There is a great emphasis on letter sounds, which makes this an ideal tool for phonics teaching. There are 30 games, activities and worksheets that can be used to help you teach the letter Bb at the beginning of the year and to reinforce and consolidate what has been learnt throughout the year.

Easy-to-implement weekly sight word program that fits into any curriculum ???? Created by two teachers and classroom tested since 1998 with powerful results ???? Includes a step-by-step teaching guide with daily lesson plans, whole-group

???? Meets the language art standards

This book is a great way to teach sight words for preschoolers Sight words are common words like "this", "me", and "you" that don't fit standard phonetic patterns and can only be learned through memorization. The exercises in this workbook will have kids say each word, trace each word, write each word, identify words and use them in a sentence—then tackle puzzles and games to reinforce what they've learned. Why this book is important for every child Equip new readers to identify common words at first sight and boost their reading fluency; Improves your child's ability to spell words correctly; Greatly improves your child's confidence with words; Teaches kids how to make good sentences with sight words; Puzzles and games in this book help reinforce the words they have learned. improve your child's pencil grip; help them to relax; mazes and puzzles will make it enjoyable for kids to practice their reading and writing. This Book Contains: Word tracing with dotted lines Word Search with images Learn to complete sentences with sight words Some coloring exercises to identify sight words Matching sight words to images Unscrambling sight words to boost spelling ability This book includes so many kindergarten reading and writing activities and 1st Grade writing and reading sentence practice exercises. This book helps build an excellent reading and writing foundation for your child. Do you want your child to become an independent successful reader quickly? Scroll up and buy this book now.

Sight words are words that must become automatically recognized by the reader because they are often not pronounced or spelled in regular ways. Our resource will increase sight word recognition, vocabulary and comprehension as students identify 130 Dolch sight words using real-life pictures as an aid. Write the sight word in the boxes that match the shape of the word. Boxes are used to help students come to understand that words can be recognized by the shapes of their letters, as they contain small, tall or hanging letters. Finish the sentence by matching the sight words with their boxes. Make sure that the words not only fit inside the boxes, but also make sense within the sentence. With 100 high-frequency words that make up almost 50% of everything we read as adults, having a bank of high frequency words is essential to building fluent reading skills. Aligned to your State Standards and written to Bloom's Taxonomy, reproducible writing tasks, sight word flash cards, crossword, word search, comprehension quiz and answer key are also included.
