The sixth edition of Anthony Giddens' Sociology is the best yet. Revised and updated throughout, it provides an authoritative overview of recent global developments and new ideas in sociology. Classic debates are also given careful coverage, with even the most complex ideas explained in an engaging way. Written in a fluent, easy-to-follow style, the book manages to be intellectually rigorous but still very accessible.

Introduction to Sociology, Sixth Edition, organizes the core concepts of modern sociology around the unifying theme of globalization. Taking a comparative approach, the authors examine American society in a global and historical context, underscoring the wide diversity of social forms and social change.
