Natalie Standiford - Switched at Birthday. Contents Title Page Dedication Prologue: A Little Bit of Birthday Magic

What if your birthday wish turned you into someone else? Lavender and Scarlet are nothing alike. Scarlet is tall, pretty, and popular -- the star of the soccer team and the queen of the school. Lavender is . . . well, none of these things. Her friends aren't considered cool, her hair is considered less than uncool, and her performance at the recent talent show is something nobody will ever forget -- even though she really, really wants it to be forgotten. There's only one thing Lavender and Scarlet know for sure they have in common: the same birthday. They've never had parties together. They've never swapped

presents. But this year, because of two wishes that turned all too true, they are about to swap something much bigger than presents. Because the morning after their birthdays, Lavender is going to wake up in Scarlet's body . . . and Scarlet is going to wake up in Lavender's. But in order to change back, they're going to have to figure out how to be someone completely opposite of who they ordinarily are . . .

A sweet story of a tree that's literally filled with secrets. What is your secret? Minty's neighborhood is full of mysteries. There's the Witch House, a spooky old farmhouse on the other side of woods from where Minty and her best friend, Paz, live. There's the Man Bat, a seven-foot-tall half man, half bat who is rumored to fly through the woods. And there are the Mean Boys, David and Troy, who torment Minty for no reason, and her boy-crazy older sister, Thea, who acts weirder and weirder. One day Minty spots a flash in the woods, and when she chases after it, she discovers a new mystery--a Secret Tree, with a hollow trunk that holds the secrets of everyone in the neighborhood. Secrets like: I put a curse on my enemy. And it's working. I'm betraying my best friend in a terrible way. No one loves me except my goldfish.

She ' s the only one who knows what it ' s like to be the only one. When Claire ' s best friend, Bess, moves away, she becomes the only girl left in her entire school. At first, she thinks she ' ll be able to deal with this -- after all, the girls ' bathroom is now completely hers, so she can turn it into her own private headquarters and draw on the walls. When it comes to soccer games or sailing races, she can face off against any boy. The problem is that her other best friend, Henry, has begun to ignore her. And Webby, a super-annoying bully, won ' t leave her alone. And Yucky Gilbert, the boy who has a crush on her, also won ' t leave her alone. It ' s never easy being the only one -- and over the course of a wacky school

year, Claire is going to have to make it through challenges big and small. The boys may think they rule the school, but when it comes to thinking on your feet, Claire ' s got them outnumbered.

A new breathtaking novel from Natalie Standiford about love and trust during the Cold War. Laura Reid goes to Leningrad for a semester abroad as Cold War paranoia is peaking in 1982. She meets a young Russian artist named Alexei and soon, with Alexei as her guide, Laura immerses herself in the real Russia--a crazy world of wild parties, black-market books and music, and smuggled letters to dissidents. She must keep the relationship secret; associating with Americans is dangerous for Alexei, and if caught, Laura could be sent home and Alexei put under surveillance or worse. At the same time, she's been warned that Soviets often latch onto Americans in hopes of marrying them and thus escaping to the United States. But she knows Alexei loves her. Right? As June approaches--when Laura must return to the United States--Alexei asks Laura to marry him. She's only nineteen and doesn't think she's ready to settle down. But what if Alexei is the love of her life? How can she leave him behind? If she has a chance to change his life, to rescue him from misery, shouldn't she take it?

When three high school sophomores set up a weblog as a class project to research whether girls or boys are more sex-crazed--and to play matchmaker, their own messy love lives become even more complicated.

From bestselling author Natalie Standiford, an amazing, touching story of two friends navigating the dark waters of their senior year. New to town, Beatrice is expecting her new best friend to be one of the girls she meets on the first day. But instead, the alphabet conspires to seat her next to Jonah, aka Ghost Boy, a quiet loner who hasn't made a new friend since third grade. Something about him, though, gets to Bea, and soon they form an unexpected friendship. It's not romance, exactly - but it's definitely love. Still, Bea can't quite dispel Jonah's gloom and doom - and as she finds out his family history, she understands why. Can Bea help Jonah? Or is he destined to vanish?

From the author of HOW TO SAY GOODBYE IN ROBOT, the story of a fractured family and three sisters' secrets The Sullivan sisters have a big problem. On Christmas Day their rich and imperious grandmother gathers the family and announces that she will soon die . . .and has cut the entire family out of her will. Since she is the source of almost all their income, this means they will soon be penniless. Someone in the family has offended her deeply. If that person comes forward with a confession of her (or his) crime, submitted in writing to her lawyer by New Year's Day, she will reinstate the family in her will. Or at least consider it. And so the confessions begin....

Meet sophomores Madison, Holly and Lina. When the Dating Game Web site that they create for class becomes a campus hit, as a matchmaking service and a forum for students' views on love, sex, and

dating, the three friends hope it will help them take control of their love lives, too? QUIZ: WHAT'S YOUR DATING STYLE? Check all the statements that sound like you. _ I believe in love at first sight. _ I always go after the hottest guy in the room. _ I know I'm cute, and I expect the best. _ I never seem to like the one who likes me _ I like people no one else notices. _ I believe you should love the one you're with. _ My way or the highway! Holly, Lina, and Mads have mapped out a plan to definitely get the guys of their dreams. But are they moving too fast? Is it time to put the brakes on the ultimate search for love?

This “vivid portrait of a seedy, edgy, artsy, and seething New York City that will never exist again” (Elizabeth Gilbert, New York Times bestselling author)—the glittering, decadent downtown club scene of the 1980s—follows a smart, vulnerable young woman as she takes a deep dive into her dark side. Essential reading for fans of *Sweetbitter*, *Fleabag*, and books by Patti Smith. New York, 1984: Twenty-two-year-old Phoebe Hayes is a young woman in search of excitement and adventure. But the recent death of her father has so devastated her that her mother wants her to remain home in Baltimore to recover. Phoebe wants to return to New York, not only to chase the glamorous life she so desperately craves but also to confront Ivan, the older man who wronged her. With her best friend Carmen, she escapes to the East Village, disappearing into an underworld haunted by artists, It Girls, and lost souls trying to party their pain away. Carmen juggles her junkie-poet boyfriend and a sexy painter while, as Astrid the Star Girl, Phoebe tells fortunes in a nightclub and plots her revenge on Ivan. When the intoxicating brew of sex, drugs, and self-destruction leads Phoebe to betray her friend, Carmen disappears, and Phoebe begins an unstoppable descent into darkness. “A new wave coming-of-age story, *Astrid Sees All* is a blast from the past” (Stewart O’Nan, author of *The Speed Queen*) about
