I have a 4300sx (here's current e-bay item example), which I think is pretty much the same machine, but with autoreverse play, and it's a bit larger in size). What can I say about it? well, I happened to like the machine allot. If it's in good working order - you get excellent recording/playback (well, what 7-1/2 ips speed, 1/4" (four track stereo) can offer).
