The Dying Animal is a short novel by the US writer Philip Roth. It tells the story of senior literature professor David Kepesh, renowned for his literature-themed radio show. Kepesh is finally destroyed by his inability to comprehend emotional commitment. The Dying Animal is the third book in a series portraying the life of the fictional professor, preceded by The Breast and The Professor of Desire.

The Dying Animal - Wikipedia

In THE DYING ANIMAL, Roth explores what happens to Kepesh after he loses his detachment and, in an intensely physical but still distant fashion, becomes emotionally involved with a beautiful young woman. Eventually, he must choose between survival and detachment or the consequences of responsible love. This is a fast-moving and fascinating novella.

Review: The Dying Animal by Philip Roth | Books | The Guardian

The Dying Animal Near the middle of Philip Roth's short novel, "The Dying Animal" (2001), the aging narrator, David Kepesh, engages in a lengthy reflection on the American sexual revolution of the 1960's. Kepesh turns to early colonial history as he describes the early Puritan settlers in Massachusetts and their conflict with one of their number, a settler named Thomas Morton.

THE DYING ANIMAL | Kirkus Reviews

Philip Roth, one of the best-known and award winning literary masters of our time, engages his readership with insightful and challenging novels of the human condition. With The Dying Animal, he revisits the character David Kepesh. At age 60, Kapesh is drawn out of his carefully ordered existence and into an obsessive affair with one of his ...

A prominent TV culture critic and lecturer, sixty-plus David Kepesh finds his world thrown into erotic turmoil by Consuela Castillo, a twenty-four-year-old beauty who ignites in him a sexual possessiveness, unreasoning jealousy, and obsessive passion. Reprint.

David Kepesh is white-haired and over sixty, an eminent TV culture critic and star lecturer at a New York college, when he meets Consuela Castillo, a decorous, well-mannered student of twenty-four, the daughter of wealthy Cuban exiles, who promptly puts his life into erotic disorder. Since the sexual revolution of the 1960s, when he left his wife and child, Kepesh has experimented with living what he calls an "emancipated manhood," beyond the reach of family or a mate. Over the years he has refined that exuberant decade of protest and license into an orderly life in which he is both unimpeded in the world of eros and studiously devoted to his aesthetic pursuits. But the youth and beauty of Consuela, "a masterpiece of volupté" undo him completely, and a maddening sexual possessiveness transports him to the depths of deforming jealousy. The carefree erotic adventure evolves, over eight years, into a story of grim loss. What is astonishing is how much of America's post-sixties sexual landscape is encompassed in THE DYING ANIMAL. Once again, with unmatched facility, Philip Roth entangles the fate of his characters with the social forces that shape our daily lives. And there is no character who can tell us more about the way we live with desire now than David Kepesh, whose previous incarnations as a sexual being were chronicled by Roth in THE BREAST and THE PROFESSOR OF DESIRE. A work of passionate immediacy as well as a striking exploration of attachment and freedom, THE DYING ANIMAL is intellectually bold, forcefully candid, wholly of our time, and utterly without precedent--a story of sexual discovery told about himself by a man of seventy, a story about the power of eros and the fact of death.

A prominent TV culture critic and lecturer, sixty-plus David Kepesh finds his world thrown into erotic turmoil by Consuela Castillo, a twenty-four-year-old beauty who ignites in him a sexual possessiveness, unreasoning jealousy, and obsessive passion. 60,000 first printing.

'This is a vicious, furious book, unapologetically not of this age - it is also horribly funny and unflinchingly honest' New Statesman David Kepesh, white-haired, and now in his sixties, is an eminent cultural critic on NPR radio and a formidable lecturer at a New York college. For years he's been casually, almost habitually, sleeping with the more spirited of his female students, though with an aesthete's critical distance. But now he's met Consuela Castillo, a twenty-four-year-old Cuban student of such head-turning beauty, that Kapesh finds himself dragged helplessly into a quagmire of sexual jealousy and loss. The Dying Animal is a virtuoso performance from Philip Roth, following Kapesh through the tumult of erotic lust and the search for freedom, shackled by a mortal human body.

The definitive Philip Roth edition continues with three novels written in his late sixties and early seventies. The Dying Animal (2001) marks the final return of David Kepesh from The Breast (1972) and The Professor of Desire (1977). Now an eminent cultural critic in his sixties, Kepesh expertly seduces a beautiful twenty-four-year-old daughter of Cuban exiles only to find himself torn by sexual jealousy and the anguish of loss. As The Plot Against America (2004) begins, aviation hero Charles A. Lindbergh has defeated Franklin Roosevelt in the 1940 presidential election, and fear invades every Jewish household in America. Lindbergh has publicly blamed the Jews for pushing America toward a pointless war with Nazi Germany, and now in office, he negotiates a cordial ["understanding"](#) with Adolf Hitler. What follows for Jews during the Lindbergh presidency~~most particularly in the Newark household of the boy Philip Roth~~is the subject of an extraordinary work of historical imagination. With Exit Ghost (2007) Roth rings down the curtain on perhaps his greatest literary creation. Nathan Zuckerman returns to a radically changed New York, the city he left eleven years before, where a rash decision draws him into a vivid drama rife with implications for his future, and his past. Philip Roth is the only living American novelist to have his work published in a comprehensive, definitive edition by The Library of America. He has received the Pulitzer Prize, the National Book Award and the National Book Critics Circle Award twice, the PEN/Faulkner Award three times, the National Medal of Arts, and the Gold Medal in Fiction, the highest award of the American Academy of Arts and Letters. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

After he is transformed into a 155-pound female breast, college professor David Kepesh struggles to rationalize his condition by proving he is insane

Everything is over for Simon Axler, the protagonist of the history. One of the leading American stage actors of his generation, now in his sixties, he has lost his magic, his talent and his assurance. His Falstaff and Peer Gynt and Vanya, all his great roles, 'are melted into air, into thin air'. When he goes on stage he feels like a lunatic and looks like an idiot. His confidence in his powers has drained away; he imagines people laughing at him; he can no longer pretend to be someone else. His wife has gone, his audience has left him, his agent can't persuade him to make a comeback. Into this shattering account of inexplicable and terrifying self-evacuation bursts a counterplot of unusual erotic desire, a consolation for the bereft life so risky and aberrant that it points not towards comfort and gratification but to a yet darker and more shocking end. In this long day's journey into night, told with Roth's inimitable urgency, bravura and gravity, all the ways that we persuade ourselves of our solidity, all our life's performances - talent, love, sex, hope, energy, reputation - are stripped off.

In this funny and chilling novel, the setting is a small town in the 1940s Midwest, and the subject is the heart of a wounded and ferociously moralistic young woman, one of those implacable American moralists whose "goodness" is a terrible disease. When she was still a child, Lucy Nelson had her alcoholic failure of a father thrown in jail. Ever since then she has been trying to reform the men around her, even if that ultimately means destroying herself in the process. With his unerring portraits of Lucy and her hapless, childlike husband, Roy, Roth has created an uncompromising work of fictional realism, a vision of provincial American piety, yearning, and discontent that is at once pitiless and compassionate.

Like Rip Van Winkle returning to his hometown to find that all has changed, Nathan Zuckerman comes back to New York, the city he left eleven years before. Alone on his New England mountain, Zuckerman has been nothing but a writer: no voices, no media, no terrorist threats, no women, no news, no tasks other than his work and the enduring of old age. Walking the streets like a revenant, he quickly makes three connections that explode his carefully protected solitude. One is with a young couple with whom, in a rash moment, he offers to swap homes. They will flee post-9/11 Manhattan for his country refuge, and he will return to city life. But from the time he meets them, Zuckerman also wants to swap his solitude for the erotic challenge of the young woman, Jamie, whose allure draws him back to all that he thought he had left behind: intimacy, the vibrant play of heart and body. The second connection is with a figure from Zuckerman's youth, Amy Bellette, companion and muse to Zuckerman's first literary hero, E. I. Lonoff. The once irresistible Amy is now an old woman depleted by illness, guarding the memory of that grandly austere American writer who showed Nathan the solitary path to a writing vocation. The third connection is with Lonoff's would-be biographer, a young literary hound who will do and say nearly anything to get to Lonoff's ["great secret."](#) Suddenly involved, as he never wanted or intended to be involved again, with love, mourning, desire, and animosity, Zuckerman plays out an interior drama of vivid and poignant possibilities. Haunted by Roth's earlier work The Ghost Writer, Exit Ghost is an amazing leap into yet another phase in this great writer's insatiable commitment to fiction.

A chronicle of the passion and desire of David Kepesh and of his endeavors, from adolescent accession to middle-aged ebb, to realize and sustain erotic happiness and domestic security
